Cookin' In The Woods Clay Sherrod, 2018-09-27 Bound Edition. An intriguing side effect of having a great sense of smell is the ability to figure out what's in various meals that others have cooked. Likewise, it makes it easier to figure out how to make those dishes BETTER than the ones found in most cookbooks by changing ingredients or cooking methods. *Cookin' In The Woods* is a simple compilation of many very easy-to-make last-minute recipes that will have your friends and family begging for the recipe. In fact, that is exactly how this little cookbook came about. Never using any written guide, I have always had the knack to repeat excellent meals that all enjoy. Once finished, I usually get asked for the recipe and have never had such a thing until now. You will notice that there are NO desserts here; only filling, satisfying, and wholesome meals for all appetites. Nothing Sweet. These are my favorites, and I hope that you enjoy them as much as thousands of my taste testers have over the past 50 years.
