William Makepeace Thackeray, 2006-09 1848 Thackeray s most well known work Vanity Fair is a satirical epic of love and social adventure The story follows the trials and tribulations of two young women Becky Sharp and Amelia Sedley After leaving the shelter of Miss Pinkerton s Academy they come to Vanity Fair where the charming and amoral Becky and sweet Amelia along with an interesting and varied cast of victims and villains suffer through elopements and betrayals fortunes made and lost and battles both military and domestic See other titles by this author available from Kessinger Publishing *Vanity Fair* William Makepeace, 2016-05-08 I think I could be a good woman if I had five thousand a year observes beautiful and clever Becky Sharp one of the wickedest and most appealing women in all of literature Becky is just one of the many fascinating figures that populate William Makepeace Thackeray s novel Vanity Fair a wonderfully satirical panorama of upper middle class life and manners in London at the beginning of the nineteenth century Scorned for her lack of money and breeding Becky must use all her wit charm and considerable sex appeal to escape her drab destiny as a governess **Vanity Fair** W M Thackeray, 2010-11-18 Vanity Fair in half the time Becky Sharp is the most alluring yet ruthless heroine ever to climb the social ladder From sordid bohemian beginnings she moves upwards through Regency society betraying her husband her friend Amelia and all who cross her in her determination to acquire power In post war London after Waterloo Becky continues her manipulative schemes but finds herself thwarted by personal and social forces *Vanity Fair; A Novel Without a Hero, by William Makepeace Thackeray a Novel* William Makepeace Thackeray, 2016-06-20 Vanity Fair A Novel without a Hero is a novel by English author William Makepeace Thackeray first published in 1847 48 satirising society in early 19th century Britain Thackeray an only child was born in Calcutta India where his father Richmond Thackeray 1 September 1781 13 September 1815 held the high rank of secretary to the board of revenue in the British East India Company His mother Anne Becher 1792 1864 was the second daughter of Harriet and John Harman Becher and was also a secretary writer for the East India Company William had been sent to England earlier at the age of five with a short stopover at St Helena where the imprisoned Napoleon was pointed out to him He was educated at schools in Southampton and Chiswick and then at Charterhouse School William Makepeace Thackeray 18 July 1811 24 December 1863 was an English novelist of the 19th century He is famous for his satirical works particularly Vanity Fair a panoramic portrait of English society During the Victorian era Thackeray was ranked second only to Charles Dickens but he is now much less widely read and is known almost exclusively for Vanity Fair which has become a fixture in university courses and has been repeatedly

adapted for the cinema and television In Thackeray s own day some commentators such as Anthony Trollope ranked his History of Henry Esmond as his greatest work perhaps because it expressed Victorian values of duty and earnestness as did some of his other later novels It is perhaps for this reason that they have not survived as well as Vanity Fair which satirises those values Thackeray saw himself as writing in the realistic tradition and distinguished his work from the exaggerations and sentimentality of Dickens Some later commentators have accepted this self evaluation and seen him as a realist but others note his inclination to use eighteenth century narrative techniques such as digressions and direct addresses to the reader and argue that through them he frequently disrupts the illusion of reality The school of Henry James with its emphasis on maintaining that illusion marked a break with Thackeray s techniques In 1887 the Royal Society of Arts unveiled a blue plaque to commemorate Thackeray at the house at 2 Palace Green London that had been built for him in the 1860s
