**American Geographical Society of New
York**

The Atlas Of Us:

The Atlas of Us Kristin Dwyer, 2024-01-09 A complete knockout Readers will be thinking of this story long after they finish the final page Adalyn Grace New York Times bestselling author of Belladonna Utterly compelling and impossible to put down Rachel Griffin New York Times bestselling author of Bring Me Your Midnight I've never read a book that felt so much like picking up pieces of a broken heart powerful poignant and true Axie Oh New York Times bestselling author of The Girl Who Fell Beneath the Sea and XOXO Atlas has lost her way In a last ditch effort to pull her life together she's working on a community service program rehabbing trails in the Western Sierras The only plus is that the days are so exhausting that Atlas might just be tired enough to forget that this was one of her dad's favorite places in the world Before cancer stole him from her life that is Using real names is forbidden on the trail So Atlas becomes Maps and with her team Books Sugar Junior and King she heads into the wilderness As she sheds the lies she's built up as walls to protect herself she realizes that four strangers might know her better than anyone has before And with the end of the trail racing to meet them Maps is left counting down the days until she returns to her old life without her new family and without King who's become more than just a friend
