small matter of convincing Gretchen it's pointless to fight fate and surviving the way she fights it Standalone novel with NO cliffhanger What readers say Had some really funny moments Fast paced and Talon was pure alpha Liked the dynamics in the story had a refreshing take on shifters The author has a way of making her intended emotion be it love humor anger etc so real that you feel like you're right in the room I have laughed out loud so many times that I'm getting tired of my husband asking What's so funny Then I have to stop and give him enough story background that he'll understand I don't know why he doesn't just read for himself LOL Editorial Review 5 out of 5 Fangs from Paranormal Romance Junkies Talon and Gretchen's book was a wonderful read The characters are well thought out and all blend together to form a great story I didn't read the first book in this series but it definitely wasn't necessary to this story Gretchen travels back to her hometown to try to figure out what has happened with her father While there she meets Talon and the sparks fly from there I would recommend this book to those that like reading a paranormal shifter type series with familiar characters but who also like books that you don't have to necessarily read in order I will definitely be looking for future books from this author Excerpt of The Alpha's Justice What was that She pushed at Talon's shoulders trying to get him to pay attention Huh What was what He mumbled the words into her breast and then swallowed more of her nipple his tongue going back and forth over the tip Talon she said fighting not to succumb to the delicious sensations Talon had stirred in her body Yeah say that again he said his voice thick with lust He'd given up on her belt and was now trying to cram his hand down her pants An animal chuffed in the dark the sound as derisive as a human snort The hair on the back of Gretchen's neck stood up and a shiver crept up her spine There was no mistaking that sound A shifter was out there watching them and thinking it was funny Come on sheriff Not knowing what else to do Gretchen whacked Talon on the head He winced and ducked Ow Why do you keep hitting me Because when there's no blood in your brain it stops working I'm just giving you a little kick start so pay attention Please Keywords paranormal romance fantasy romance urban fantasy shifter romance bear shifters steamy romance shifters alpha heroes alpha shifters myth mythology love story werewolf werewolf romance action adventure vampire witch demon devil psychic shapeshifter alpha vampires vampire series shapeshifter werewolf romance fantasy lycan mate bond vampire vampire romance immortal vampire slayer fae Laurel K Hamilton Sherrilyn Kenyon Christine Feehan Gena Showalter K F Breene Shannon Mayer Ruby Dixon JR Ward J R Ward Ilona Andrews Patricia Briggs Vampire Diaries Twilight Crave Tracy Wolff The Vampire Diaries Bella Forrest A Shade of Vampire Harry Potter witch wizard fated mates Vampire Academy Vampire Knight werewolf books werewolf romance shapeshifters
