That Night with the Alpha Billionaire 1 (BWMM Interracial Romance Short Stories) Hattie Black, There are quite a few advantages to having dark skin The most important one is that when you blush it doesn't show That cute guy on the third row has been looking at me intensely all week and I've got to say I'm enjoying the attention In fact I bend over a little so he can catch a glimpse of my cleavage If he keeps staring at me like this I'm going to have to go over there introduce myself because I can tell he's probably too shy to talk to me I chuckle a little Of course I won't do that Tyrone would be pissed Yes I have a boyfriend We have been together for about 18 months and it's going well I'm not sure if I'm in love with him but I wouldn't know because I've not had a lot of experience with men We get along and we've even talked about moving in together our last semester My conservative mom would hate that but we're adults we can make our own decisions WARNING Mature readers only Search Terms free romance books for young adults free alpha male billionaire romance books free bad boy romance books free romance short stories free second chance romance free steamy romance books free contemporary romance books free hot romance books women freebies free fiction books for young adults free love story and romance books free office romance books boss romance books free beach reads new adult free romantic fiction romance fiction books free bwmm free bwmm romance bwmm interracial romance books african american romance free black authors free books interracial romance books free black women books free african american books free billionaire romance books contemporary romance books romance stories fiction books romance novels steamy romance novel books romance romance adult romance novels romance books hot alpha male romance books steamy romance books books romance hot romance novels to read love story books
