The American Wife's Secret Chrystyna Lucyk-Berger, 2025-01-13 Kitty held her husband close to her chest covering his beloved body with her own She called for help but none came She stared down at the face she loved so well Edgar Don't go my darling not now Not after all we've been through please don't leave me here alone 1944 Beautiful American Kitty Larsson knows better than most that fighting

the Nazis comes at a price She s spent years working undercover as an agent for the British and knows that doing what is right could cost her everything When Kitty is captured during a mission and her true identity is revealed she learns her beloved husband Edgar has gone missing The Gestapo tell her they have him and that his life is in her hands If she doesn t cooperate he will die and her worst fears will be realized If they are telling the truth Kitty s secrets might be enough to save the man she loves But what if they are lying Fueled by her desire to do what is right but also to save the man she loves Kitty knows that she won t be able to rest until she can escape and find Edgar Because surely somewhere out there he is still alive As the war rages Kitty tries to think of a plan Surely this isn t where it all ends She needs to know whether Edgar is safe and to hold him in her arms once again But to do that will Kitty finally have to make the ultimate sacrifice An absolutely unputdownable gripping and powerful story about love courage and doing what is right in the midst of the darkness of World War 2 Perfect for fans of The Nightingale My Name is Eva and All the Light We Cannot See Praise for The American Wife s Secret Phenomenal Completely unpredictable and heartbreakingly realistic Five stars simply aren t enough for this book I adored this Goodreads reviewer Absolutely unputdownable I was holding my breath as I read Amazing Vegan Book Blogger I was on the edge of my seat it was so thrilling exciting and nerve wracking Do not miss this Goodreads reviewer Wonderful heartbreaking outstanding I couldn t stop reading Had my heart racing and my tears flowing I loved this Phenomenal Page Turners Incredible kept me spellbound from the beginning to the breath taking conclusion My emotions were riding high my heart pounded with anticipation Fantastic Goodreads reviewer I read in just one sitting completely gripping My jaw literally dropped An incredibly powerful read Christian Bookaholic Wow Amazing I ll be thinking about it and the character Kitty for a long long time Goodreads reviewer Mesmerising I read this book from cover to cover in one day Goodreads reviewer Amazing Oh my word how to put into words my feelings about this book I will admit to having tears in my eyes at the end Oh my goodness me what a ride this book was NetGalley reviewer Heart pounding Will keep you wondering what will happen next A WWII masterpiece Goodreads reviewer Heartbreaking Kept me reading long into the night Goodreads reviewer Will keep you on the edge of your seat and break your heart more than once Goodreads reviewer Epic heartbreaking and unputdownable Goodreads reviewer

The Washingtons. Volume 5, Part 2 Justin Glenn, 2014-09-05 This is the fifth volume of Dr Justin Glenn s comprehensive history that traces the Presidential line of the Washingtons Volume One began with the immigrant John Washington who settled in Westmoreland Co Va in 1657 married Anne Pope and became the great grandfather of President George Washington It continued the record of their descendants for a total of seven generations Volume Two highlighted notable family members in the next eight generations of John and Anne Washington s descendants including such luminaries as General George S Patton the author Shelby Foote and the actor Lee Marvin Volume Three traced the ancestry of the early Virginia members of this Presidential Branch back in time to the aristocracy and nobility of England and continental Europe Volume Four resumed the family history where Volume One ended and it contained

Generation Eight of the immigrant John Washington s descendants Volume Five now presents Generation Nine including more than 10 000 descendants Future volumes will trace generations ten through fifteen making a total of over 63 000 descendants Although structured in a genealogical format for the sake of clarity this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives These in turn strive to convey the greatness of the family that produced not only The Father of His Country but many others great and humble who struggled to build that country

ADVANCE PRAISE I am convinced that your work will be of wide interest to historians and academics as well as members of the Washington family itself Although the surname Washington is perhaps the best known in American history and much has been written about the Washington family for well over a century it is surprising that no comprehensive family history has been published Justin M Glenn s *The Washingtons A Family History* finally fills this void for the branch to which General and President George Washington belonged identifying some 63 000 descendants This is truly a family history not a mere tabulation of names and dates providing biographical accounts of many of the descendants of John Washington who settled in Westmoreland County Virginia in 1657 Each individual section is followed by extensive listings of published and manuscript sources supporting the information presented and errors of identification in previous publications are commented upon as appropriate John Frederick Dorman editor of *The Virginia Genealogist* 1957 2006 and author of *Adventurers of Purse and Person* Decades of reviewing Civil War books have left me surprised and delighted when someone applies exhaustive diligence to a topic not readily accessible Dr Glenn surely meets that standard with the meticulous research that unveils the Washington family in gratifying detail many of them Confederates of interest and importance Robert K Krick author of *The Smoothbore Volley that Doomed the Confederacy and Stonewall Jackson at Cedar Mountain* **Part 2. pp. 1407-2494** United States. Congress. House. Committee on Ways and Means, 1966 *The American Wife* Chrystyna

Lucyk-Berger, 2024-04-08 Outstanding I was hooked by this book and couldn t put it down Oh my goodness I loved this Goodreads reviewer 1938 Shattered fragments of glass snap under my feet as I tread quietly into what was my best friend s apartment Now as I frantically look around in horror I know that the worst has happened she has been taken by the Gestapo And I realise with certainty what I have to do next but will I be too late to save her From the moment the Nazis arrived in Vienna I knew everything would change especially for my closest friend Judith The very fact that she is Jewish means she is in danger but I hoped that she d get her visa in time to leave the country That they wouldn t come for her But I was wrong And when Judith is taken by the Gestapo I realise I only have one choice save my dearest friend or betray the man I love Because I am a diplomat s wife I know I can steal the papers that will allow Judith to escape to safety It s the hardest choice I have ever had to make but I know I must be brave and do the right thing no matter what And besides I ve started to wonder which side of the war my husband Edgar is really on Ever since I joined him in Europe I ve watched him grow distant and secretive And as his behavior gets stranger and he pushes me even further away I begin to wonder how well do I know the

man that lies beside me every night So as I creep into my husband s study in the dead of night I know in my heart I m doing the right thing But will I be too late to save my best friend and if I get caught what will happen to me An absolutely heartbreaking powerful and gripping story about finding love resilience and friendship in the midst of the darkness of World War 2 Perfect for fans of The Nightingale My Name is Eva and All the Light We Cannot See Praise for The American Wife Fantastic Wonderful Superb I did not want to put this story down When my e reader battery wore down I stood by the charger and read Goodreads reviewer A truly unputdownable book The story kept getting better and better You will have a hard time putting this book down kayy_lambert INCREDIBLE Not to be missed I cannot wait for the next in this series Goodreads reviewer This book is sure to keep you on the edge of your seat right up till the end Goodreads reviewer I loved loved loved this story I look forward to reading the next installment Beautifully written Goodreads reviewer Achingly beautiful Fascinating Stunning It engrossed me to the point of ignoring my surroundings Goodreads reviewer Wow What a story I was on the edge of my seat thattravelinglibrarian Thrilling Kept me riveted to my sofa Goodreads reviewer Absolutely heartbreaking powerful and gripping Goodreads reviewer Fantastic I read this book in two days It was a treat from start to finish justineg_author Incredible Fascinating Wonderful I laughed a little and cried a lot Rachel Wesson I cannot wait for the next book to be published Highly recommend to every reader Goodreads reviewer Will keep readers in suspense until the very end Goodreads reviewer Easily one of my favorite reads this year Goodreads reviewer
