Delivering a Preparatory Course for The Cambridge First Certificate in English Examination by Using the Ingenio E-Learning Platform ,2011-03-24 La publicaci n de este volumen representa un caso relativamente ins lito Un peque o grupo de j venes investigadores de menos de treinta a os convence a un grupo mucho m s numeroso de la misma edad para celebrar en Salamanca la First Conference of Young Researchers on Anglophone Studies El resultado es deslumbrante No solo

demuestran una gran capacidad organizativa sino que los resultados individuales de las aportaciones científicas son sobresalientes Este volumen *Current Trends in Anglophone Studies* recoge una selección revisada de las propuestas presentadas en el Encuentro y gira en torno a una estructuración tripartita clásica estudios culturales lingüísticos y literarios En ella caben todos aquellos que se mueven en el campo de los estudios anglofonos Cada uno de estos campos podría haber sido suficiente para celebrar un congreso pero parece razonable que en este tipo de encuentros tengan cabida todos De ese modo este volumen se convierte en un ejemplo de aproximación interdisciplinar a los estudios anglofonos Desde un punto de vista cuantitativo los estudios culturales ocupan sin duda un espacio menor Sin embargo sobresale la variedad de temas tratados así como la internacionalización de los autores dentro de este apartado Estudiantes españoles e italianos acometen estudios relacionados con la música la pintura el cine la traducción la marginalidad social o el impacto de las nuevas tecnologías en la producción artística Si no pareciera demasiado atrevido podría decirse que estos jóvenes estudiosos irán más allá de lo que un día ya lejano pudieron imaginar Richard Hoggard o Raymond Williams Los estudios aquí presentados reflejan sin duda la evolución que la propia sociedad ha experimentado en estos últimos cincuenta años y exploran la relación entre las prácticas culturales la vida diaria y los contextos económicos políticos e históricos No es de extrañar que una gran parte de las contribuciones presentadas en este volumen se centren en el estudio de la lengua ya que la demanda del inglés se ha incrementado de forma considerable en los últimos años Sobresalen los análisis puramente filológicos y sobre todo los relacionados con el aprendizaje del inglés como segunda lengua Por eso destacan estudios que contemplan rasgos morfológicos léxicos o sintácticos Sin embargo el mayor número de participaciones hace referencia al ya citado aprendizaje del inglés como L2 tanto desde el análisis de materiales como desde la práctica oral o escrita Las contribuciones literarias ofrecen una evaluación teórica formal e interpretativa de distintas tendencias desde perspectivas tanto interdisciplinares como interculturales Cronológicamente los estudios abarcan textos desde el siglo XVIII hasta nuestros días con un acento especial en los autores más contemporáneos y en el género narrativo En general estos estudios se fijan en textos concretos y los analizan desde perspectivas culturales sociológicas o psicológicas Pero abundan menos las aproximaciones desde la teoría literaria desde la técnica narrativa o como tal vez cabría esperar al tratarse de estudiantes tan jóvenes desde la aplicación de las nuevas tecnologías Por el contrario se repiten temas como los traumas heredados de la Guerra de Vietnam las cicatrices del 11 de septiembre o los problemas de género En definitiva se trata de una selección de artículos claramente prometedora que transmite la seguridad de que el futuro de la Filología Inglesa está en buenas manos y podrá experimentar una positiva evolución en los próximos años Por todo ello hay que felicitar a todos los participantes individuales y sobre todo a los organizadores del evento y editores de este volumen que han demostrado una enorme capacidad de trabajo y de saber hacer

Quality Instruction and Intervention for Elementary Educators Brittany L. Hott, Pamela Williamson, 2024-10-02 Effective teaching starts with quality instruction that most students respond well to However about 35% of students will require

specialized and more intensive instruction to meet academic and behavioral standards Both students with exceptionalities who are eligible to receive special education and related services and students who are placed at risk due to circumstance require deserve and are legally entitled to quality intervention Quality Instruction and Intervention for Elementary Educators offers an accessible resource for educators interested in evidence based strategies to ensure all students have access to an excellent education Two dedicated chapters authored by leading content and strategy experts in the field are devoted to content areas The first chapter focuses on quality instruction with academic subject matter specialists as lead authors with interventionists supporting The second chapter focuses on effective intervention with the interventionists taking the lead author roles and academic subject matter specialists supporting Between the two chapters is a dialogue between the teams of authors bridging instruction and intervention This unique approach bridges the gap between quality instruction and effective intervention an often overlooked component of teacher education The book also includes dedicated chapters on the integration of instructional technology and executive functioning After reading the book educators will be able to describe the components of effective instruction and intervention in each of the content areas access empirically validated materials and locate resources for continued learning TESOL Guide for Critical Praxis in Teaching, Inquiry, and Advocacy

Crawford, Jenifer, Filback, Robert A., 2021-09-17 The field of TESOL encompasses English teachers who teach English as an additional language in English dominant countries and those teachers who teach English as a foreign language in countries where a language other than English is the official language This range of educators teaches English to children adolescents and adults in primary secondary post secondary popular education and language academies or tutoring centers The diversity of learners and contexts within the TESOL field presents a unique opportunity for educators to address varied educational and societal needs This opportunity calls for TESOL educators who can support the whole learner in a range of contexts for the greater social good There is an urgent need for readily reproducible and step by step research based practices and current standards in TESOL that bridge the gap between critical scholarship and equitable teaching practices This book would serve as a critical addition to current literature in TESOL TESOL Guide for Critical Praxis in Teaching Inquiry and Advocacy is an essential reference that provides practical and equitable step by step guides for TESOL educators through the current best practices and methods for effective and equity minded teaching critical inquiry and transformative advocacy This book is of particular value as it bridges theories to practices with a critical look at racial and social justice in English language teaching which will lead to the integration of social justice focused practice across the new curriculum Covering topics such as integrated language instruction equity and inclusivity critical consciousness and online learning this text is essential for in service and pre service TESOL educators education students researchers administrators teacher educators and academicians **The Distance Learning Playbook for College and University Instruction** Douglas Fisher, Nancy Frey, John Almarode, John Hattie, 2020-08-20 First let s commend ourselves how in the midst of a pandemic we faculty stepped

up at record speed to teach in such a foreign learning environment Try we did adapt we did and learn we did But to be clear and we already recognize this this past spring was less about distance learning and more about crisis teaching This time around we have the opportunity to be much more purposeful and intentional and that s where The Distance Learning Playbook for College and University Instruction will prove absolutely indispensable Much more than a collection of cool tools and apps The Distance Learning Playbook for College and University Instruction mobilizes decades of Visible Learning research to reveal those evidence based strategies that work best in an online environment Supplemented by video footage and opportunities to self assess and reflect the book addresses every dynamic that must be in place for students to learn even at a distance Faculty student relationships from a distance Teacher credibility from a distance Teacher clarity from a distance Engaging tasks from a distance Planning learning experiences from a distance Feedback assessment and grading from a distance Keeping the focus on learning from a distance or otherwise What does our post COVID future hold We suspect Fisher Frey Almarode and Hattie write it will include increased amounts of distance learning In the meantime let s seize on what we have learned to improve post secondary education in any format whether face to face or from a distance We are all still active faculty members committed to teaching scholarship and service The unexpected transition to remote learning doesn t mean we no longer know how to teach We can still impact the lives of our students and know that we made a difference The Distance Learning Playbook for College and University Instruction will show you how Douglas Fisher Nancy Frey John Almarode and John Hattie *Bridging Language Boundaries - Explorations in Communication across Borders* Thomas Tinnefeld,2023-09-26 In an increasingly interconnected world where distances dwindle and cultures interweave the role of communication gains renewed significance Language our primary form of expression and comprehension acts both as a border and a bridge for ideas knowledge and experiences Amidst this complex linguistic interplay this volume finds its purpose Chapters herein delve into communication surpassing geographic and linguistic boundaries As language professionals educators and researchers we navigate the challenges of this landscape where languages blend and merge These chapters analyse and inspire queries that arise whenever linguistic borders are crossed From exploring the functions of intercomprehension to examining the impact of digital tools on borderless language education each chapter reveals a facet of the theme Topics span language methodologies language acquisition linguistic landscapes and the growing importance of technology in teaching to name but a few Readers are invited to join us in exploring how communication shapes and is shaped by diverse linguistic environments Together we illuminate the threads that determine global interaction delivering insight into the functioning of language in our interconnected world [Nine Dimensions of Scaffolding for Multilingual Learners](#) Maria G.
