Writing Words in Action

1. Look back at "Constructing the New York City Subway" (pages 22-23). Think about how the completion of the subway changed the lives of city residents. Write an essay in which you analyze the impact—both positive and negative—of this new mode of transportation on individuals and businesses in New York City at the turn of the century. Use at least two details from the passage and three unit words to support your view.
2. According to a 2005 Gallup Poll, most Americans consider electricity as the greatest invention of all time, with the automobile and the printing press ranking well behind. Do you agree? Write an essay of at least three paragraphs in which you explain what your top choice is and why. Support your answer with specific examples from your observations, studies, reading (refer to pages 22-23), or personal experience. Use at least three words from this unit in your essay.
