Vodka Martini Recipe Bond:

The playboy and James Bond Claire Hines, 2018-02-19 This is the first book to focus on James Bond's relationship to the playboy ideal through the sixties and beyond. Examining aspects of the Bond phenomenon and the playboy lifestyle, it considers how ideas of gender and consumption were manipulated to construct and reflect a powerful male fantasy in the post-war era. This analysis of the close association and relations between the emerging cultural icons of James Bond and the playboy is particularly concerned with Sean Connery's definitive Bond as he was promoted and used by the media. By exploring the connections that developed between Bond and Playboy magazine within a historical framework, the book offers new insights into these related phenomena and their enduring legacy in popular culture. **James Bond in the 21st Century** Glenn Yeffeth, Leah Wilson, 2009-06-22 The staying power of the world's most dashing secret agent and the evolution of the James Bond franchise are explored in this smart yet nostalgic collection of essays. Leading writers including Raymond Benson, J. A. Konrath, Raelynn Hillhouse, and John Cox discuss the ten sexiest Bond girls, the best villains, and the controversy surrounding the latest actor to play James Bond. Topics covered range from the playful how to build a secret lair and avoid the perennial mistakes made by would-be world dominators to the thought-provoking such as Bond's place in the modern world, his Oedipal tendencies, and perceived misogyny, and the unerring allure of the charming spy. *The Home Bartender: Vodka* Editors of Cider Mill Press, 2025-05-13 Make over 100 quick and easy vodka cocktails with only four ingredients or less.
