Soviet Conquest Berlin 1945:

Soviet Conquest Tony Le Tissier, 2014-09-30 How did top Red Army commanders see the assault on Berlin in 1945 what was their experience of the last terrible battle of the Second World War in Europe Personal accounts by the most famous generals involved Zhukov Koniev and Chuikov have been published in English but the recollections of their principal subordinates haven't been available in the west before and it is their role in the final Soviet offensive that is the focus of Tony Le Tissier's fascinating book These were the officers who were responsible for the execution of the Red Army's plan for the assault in immediate touch with the troops on the front line of the advance They saw most clearly where the operation succeeded and where it failed Their recollections publication of which was long banned in the Soviet Union throw a new light on the course of battle and on the inner workings of the Red Army command in the final phase of the conflict **Soviet Conquest**, 2014 How did top Red Army commanders see the assault on Berlin in 1945 what was their experience of the last terrible battle of the Second World War in Europe Personal accounts by the most famous generals involved Zhukov Koniev and Chuikov have been published in English but the recollections of their principal subordinates haven't been available in the west before and it is their role in the final Soviet offensive that is the focus of Tony Le Tissier's fascinating book These were the officers who were responsible for the execution of the Red Army's plan for the assault in immediate touch with the troops on the front line of the advance They saw most clearly where the operation succeeded and where it failed Their recollections publication of which was long banned in the Soviet Union throw a new light on the course of battle and on the inner workings of the Red Army command in the final phase of the conflict The Russians in Germany Norman M. Naimark, 1995 In 1945 when the Red Army marched in eastern Germany was not occupied but liberated This until the recent collapse of the Soviet Bloc is what passed for history in the German Democratic Republic Now making use of newly opened archives in Russia and Germany Norman Naimark reveals what happened during the Soviet occupation of eastern Germany from 1945 through 1949 His book offers a comprehensive look at Soviet policies in the occupied zone and their practical consequences for Germans and Russians alike and ultimately for postwar Europe In rich and lucid detail Naimark captures the mood and the daily reality of the occupation the chaos and contradictions of a period marked by rape and repression the plundering of factories the exploitation of German science and the rise of the East German police state Never have these practices and their place in the overall Soviet strategy particularly the political development of the zone received such thorough treatment Here we have our first clear view of how the Russians regarded the postwar settlement and the German question how they made policy on issues from reparations to technology transfer to the acquisition of uranium how they justified their goals how they met them or failed and how they changed eastern Germany in the process The Russians in Germany also takes us deep into the politics of culture as Naimark explores the ways in which Soviet officers used film theater and education to foster the Bolshevization of the zone Unique in its broad comparative approach to the Soviet military government in Germany this book fills in a

missing and ultimately fascinating chapter in the history of modern Europe

The Berlin 1945 Battlefield Guide: David McCormack, 2017-12-17 A meticulously researched and highly detailed history and location guide. Insights into the human face of war. Period and contemporary photographs bring the history of the battlefield to life. An essential guide crammed with useful information and facts for explorers of the Oder front. This guide is specifically tailored towards travellers making the leap from escorted tours to independent battlefield exploration. Along with essential tour information there are useful tips, hints and suggestions aimed towards making your battlefield journey as stress free and enjoyable as possible. While some tour professionals and guide authors still favour traditional stands, author David McCormack has used his own experience of leading tour groups to produce a more accessible guide based around viewpoints. Therefore what you have is straight forward, easy to use, guide and uncluttered by unnecessary maps, diagrams and tables. Each viewpoint has easy to follow directions along with tried and tested satellite navigation instructions to take you direct to the scene of the action. This easy to use guide will prove to be your indispensable tour companion as you begin your exploration of the Oder-Neisse battlefields. Includes an accessible layout and easy to follow tour instructions, circular tours designed for novice battlefield explorers, tried and tested satellite navigation addresses for every viewpoint, lunch breaks and dining suggestions incorporated into tours, profusely illustrated with period and contemporary photographs, unencumbered by unnecessarily overcomplicated diagrams and maps and detailed historical sections which include some remarkable first hand accounts.

[Race for the Reichstag](#) Tony Le Tissier, 2010-04-30 The acclaimed historian's classic account of the Battle for Berlin offers unprecedented detail and insight into the final days of WWII in Europe. This authoritative study dispels the myths created by Soviet propaganda and describes the Red Army's final offensive against Nazi Germany in graphic detail. For the Soviets, Berlin and the Reichstag in particular was seen as the ultimate prize. Stalin had initially promised Berlin to Marshal Zhukov. But after Zhukov blundered a preliminary battle, Stalin allowed Marshal Koniev, Zhukov's rival, to launch one of his powerful tank armies at the city. The advancing Soviet forces were confronted by a desperate, inadequate German defense. General Weidling's panzer corps was dragged into the city in a futile attempt to prolong the existence of the Third Reich whose leaders squabbled and schemed in their underground shelters. Ten days later, after the suicides of Hitler and Goebbels, the survivors had to choose between breakout and surrender. Drawing on a wide range of Soviet sources and unprecedented access to German archival and memoir materials, *Race for the Reichstag* brings into startling focus the bitter fight for the last patch of soil under Wehrmacht control.

[United City, Divided Memories?](#) Dirk Verheyen, 2010-01-01 *United City, Divided Memories* focuses on the basic question of how Berlin today deals with three specific Cold War era legacies: the presence of the four Great Powers, the East German Stasi and the Berlin Wall. Dirk Verheyen studies monuments, museums and memorial sites as illustrations of Berlin's struggle to craft an effective shared identity that ties together its western and eastern halves.

The Path to the Berlin Wall Manfred Wilke, 2014-04-01 The long path to the Berlin Wall began in 1945 when Josef Stalin instructed the Communist

Party to take power in the Soviet occupation zone while the three Western allies secured their areas of influence When Germany was split into separate states in 1949 Berlin remained divided into four sectors with West Berlin surrounded by the GDR but lingering as a captivating showcase for Western values and goods Following a failed Soviet attempt to expel the allies from West Berlin with a blockade in 1948 49 a second crisis ensued from 1958 61 during which the Soviet Union demanded once and for all the withdrawal of the Western powers and the transition of West Berlin to a Free City Ultimately Nikita Khrushchev decided to close the border in hopes of halting the overwhelming exodus of East Germans into the West Tracing this path from a German perspective Manfred Wilke draws on recently published conversations between Khrushchev and Walter Ulbricht head of the East German state in order to reconstruct the coordination process between these two leaders and the events that led to building the Berlin Wall *Department of State Bulletin*, 1959 The official monthly record of United States foreign policy Congressional Record United States. Congress, 1984 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *East Central Europe and Communism* Sabrina P. Ramet, 2023-03-23 The communists of East Central Europe came to power promising to bring about genuine equality paying special attention to achieving gender equality to build up industry and create prosperous societies and to use music art and literature to promote socialist ideals Instead they never succeeded in filling more than a third of their legislatures with women and were unable to make significant headway against entrenched patriarchal views they considered it necessary with the sole exception of Albania to rely heavily on credits to build up their economies eventually driving them into bankruptcy and the effort to instrumentalize the arts ran aground in most of the region already by 1956 and in Yugoslavia by 1949 Communism was all about planning control and politicization Except for Yugoslavia after 1949 the communists sought to plan and control not only politics and the economy but also the media and information religious organizations culture and the promotion of women which they understood in the first place as involving putting women to work Inspired by the groundbreaking work of Robert K Merton on functionalist theory this book shows how communist policies were repeatedly undermined by unintended consequences and outright dysfunctions Documents on Germany, 1944-1970 United States. Department of State. Historical Office, 1971 Hearings, Reports and Prints of the Senate Committee on Foreign Relations United States. Congress. Senate. Committee on Foreign Relations, 1971 *The Hitler Book* Henrik Eberle, Matthias Uhl, 2009-03-25 Stalin had never been able to shake off the nightmare of Adolf Hitler Just as in 1941 he refused to understand that Hitler had broken their non aggression pact he was in 1945 unwilling to believe that the dictator had committed suicide in the debris of the Berlin bunker In his paranoia Stalin ordered his secret police the NKVD precursor to the KGB to explore in detail every last vestige of the private life of the

only man he considered a worthy opponent and to clarify beyond doubt the circumstances of his death For months two captives of the Soviet Army Otto Guensche Hitler s adjutant and Heinz Linge his personal valet were interrogated daily their stories crosschecked until the NKVD were convinced that they had the fullest possible account of the life of the F In 1949 they presented their work in a single copy to Stalin It is as remarkable for the depth of its insight into Adolf Hitler from his specific directions to Linge as to how his body was to be burned to his sense of humor as for what it does not say reflecting the prejudices of the intended reader Joseph Stalin Nowhere for instance does the dossier criticize Hitler s treatment of the Jews Today the 413 page original of Stalin s personal biography of Hitler is a Kremlin treasure and it is said to be held in President Putin s safe The only other copy made by order of Stalin s successor Nikita Khrushchev in 1959 was deposited in Moscow Party archives under the code number 462A It was there that Henrik Eberle and Matthias Uhl two German historians found it Available to the public in full for the first time The Hitler Book presents a captivating astonishing and deeply revealing portrait of Hitler Stalin and the mutual antagonism of these two dictators who between them wrought devastation on the European continent

World War II in Europe David T. Zabecki, 2015-05-01 World War II defined the 20th century and shaped many events from the decolonization of Africa to the rise and fall of the Berlin Wall This encyclopedia offers a focused overview of this complex and volatile era the circumstances that led up to war the underlying causes its unfolding and consequences Organized for quick and precise access More than 1300 entries by 150 experts are arranged in six sections for easy reference and consultation All the key ideas events actions weapons individuals and organizations that played vital roles in the war are covered from the Axis Pact to the Arab League from the OSS to the Africa Korps from the Chetniks to the Jedburghs from the battle of Kursk to Operation Mincemeat from Bill Donovan to Otto Skorzeny from Gestapo to SMERSH from Georgi Zhukov to Jean Leclerc from the 88 gun to the Norden Bombsight Covers important neglected subjects The Encyclopedia puts special emphasis on the often neglected operations in Eastern Europe and Russia A key section inspects and rates all the major weapons with handy tables for easy comparison And in recognition of the first large scale participation of women in the war the volume thoroughly documents their individual and unit contributions to the Allied effort Finally the encyclopedia discusses battlefield realities that explain for example why the airborne drops at Normandy succeeded and the ones at Arnheim failed A bibliography glossary maps photographs and weapons and data tables enhance the coverage Also includes 16 maps

The Cold War Priscilla Roberts, 2018-12-07 This detailed two volume set tells the story of the Cold War the dominant international event of the second half of the 20th century through a diverse selection of primary source documents One of the most extensive to date this set of primary source documents studies the Cold War comprehensively from its beginning with the emergence of the world s first communist government in Russia in late 1917 to its end in 1991 All of the key events including the Berlin Blockade the Korean War the Cuban Missile Crisis the Vietnam War and the nuclear arms race are discussed in detail The primary sources provide insight

into the thinking of all participants drawing on Western Soviet Asian and Latin American perspectives In *The Cold War Interpreting Conflict through Primary Documents* primary documents are organized chronologically allowing readers to appreciate the ramifications of the Cold War within a clear time frame Extensive interpretive commentary provides in depth background and context for each document This work is an indispensable reference for all readers seeking to become deeply knowledgeable about the Cold War Stalin's Wars Geoffrey Roberts,2006-01-01 This breakthrough book provides a detailed reconstruction of Stalin s leadership from the outbreak of the Second World War in 1939 to his death in 1953 Making use of a wealth of new material from Russian archives Geoffrey Roberts challenges a long list of standard perceptions of Stalin his qualities as a leader his relationships with his own generals and with other great world leaders his foreign policy and his role in instigating the Cold War While frankly exploring the full extent of Stalin s brutalities and their impact on the Soviet people Roberts also uncovers evidence leading to the stunning conclusion that Stalin was both the greatest military leader of the twentieth century and a remarkable politician who sought to avoid the Cold War and establish a long term detente with the capitalist world By means of an integrated military political and diplomatic narrative the author draws a sustained and compelling personal portrait of the Soviet leader The resulting picture is fascinating and contradictory and it will inevitably change the way we understand Stalin and his place in history Roberts depicts a despot who helped save the world for democracy a personal charmer who disciplined mercilessly a utopian ideologue who could be a practical realist and a warlord who undertook the role of architect of post war peace *Crisis and Renewal in Twentieth Century Banking* Edwin Green,John Lampe,2017-03-02 *Crisis and Renewal in Twentieth Century Banking* explores the behaviour of banks at times of war revolution civil war social turmoil and reconstruction Analysing the history and archives of banks it discovers examples of how banking is affected by political and social upheavals how banks may influence the outcome of such events how banking has recovered from periods of intense political and social stress and how the archives of banks provide remarkable testimony to events in the wider world By examining the setting of different banking markets in the last century up to and including the transformation of Eastern and South Eastern Europe in the 1990s this book marks a new direction for international discussion and research Contributors include senior historians and archivists from Europe and the United States Contributions include papers on Russia and foreign banks 1917 30 depression and crisis in Central Europe in the 1930s Civil War in Spain post war reconstruction in banking in Germany and the Far East and crisis and renewal in South East Europe The papers published in this collection were first presented at the twelfth Annual Conference of the European Association for Banking History held in Ljubljana Slovenia in May 2001 and hosted by the Bank of Slovenia and the Nova Ljubljanska Banka Documents on Germany, 1944-1961 United States Department of State. Historical Office,1961
Department of State Publication ,1948 **The Concise Encyclopedia of World War II** Cathal J. Nolan,2010-04-22
A comprehensive and integrated military political and strategic history of World War II ranging from the daily life of

conscripts and civilians to operational and strategic decision making at the highest levels Filled with up to date scholarship yet supremely manageable and accessible The Concise Encyclopedia of World War II offers the opportunity to explore a conflict that remains a source of fascination for scholars students and general readers alike From the battlefields to the corridors of power from the barracks to the home front The Concise Encyclopedia of World War II provides a complete portrait of the war Entries not only address major battles and campaigns but political economic and cultural issues as well plus brief portraits of the conflict s commanding personalities Its global perspective notably corrects the usual Western focus of World War II studies incorporating a wealth of information on often underreported topics such as the Eastern Front and the Sino Japanese War
