Translated Into English by Sir John Warner Out of the French Copy of Mr. Regnier Des-Marais, Etc** Saint Alonso Rodríguez,1806 **Catholic World** ,1911 Pietism and the Foundations of the Modern World Justin A. Davis,2019-08-09 The experiential impulse of Protestant Christianity often identified as Pietism is one of the key driving forces in shaping the western world as well as promoting the ethos of individualism and antipathy toward the larger society As such understanding the foundations of Pietism is an essential and overlooked aspect of Western

Christianity This work helps to address this gap in scholarship by addressing the first two centuries of Pietism First this work shows where the experiential impulse is found within medieval Christianity specifically in mysticism Following the Protestant Reformation this experiential impulse is unmoored from church tradition but still finds confessional variants including Lutheran Reform and Anglican The work then focuses on six key figures in the development of Pietism specifically William Perkins Johann Arndt Philip Spener August Francke Count Zinzendorf and John Wesley demonstrating that Pietism begins as a protest against institutional forms but then grows into institutional and denominational forms itself These institutional forms include Moravians Methodists and Prussianism which directly shaped Germany England and America though the latter not until the nineteenth century This work reveals the diverse impact Pietism had while remaining a cohesive yet contradictory movement

The Theology of Christian Perfection Antonio Royo Marin, 2012-05-16 The best manual of spiritual theology which has appeared to date the most ordered and complete a true summa of spirituality This is a work of extraordinary informative value and yet possessing a notable doctrinal solidity This encomium of M M Philipon laudatory as it is does less than justice to this modern classic now at last appearing in English in a smooth readable translation and adaptation by Fr Aumann For in reality this is three books in one volume First of all this is a textbook a manual whose lucid and orderly presentation of the basic principles of the spiritual life of the supernatural organism and of its progressive development recommends it unreservedly for seminarians and other serious students of spiritual theology As Garrigou Lagrange points out the author's order has permitted him to treat all the important questions relative to perfection and to show clearly the basic unity of the Christian life Thorough and solid as it is however firmly based on the chief masters of the spiritual life St Thomas St John of the Cross and St Teresa of Avila this truly theological synthesis is set forth in clear and accessible form as its widespread popularity in Spain four editions in six years attests But The Theology of Christian Perfection is perhaps even more valuable as a work of spiritual formation It is an eminently practical manual of sound advice counsel and direction with respect to the increasingly fruitful use of the means negative and positive for advancing in perfection As such it will be immediately valuable for spiritual directors an indispensable aid for self formation and a work of precious merit for all souls desirous of spiritual advancement

Believers Foundations Training Manual Osmond Owusu, 2016-09-30 The Believers Foundations Training Manual is a must study book for any newly born again believer in the Lord Jesus Christ The book is also strongly recommended study for any believer who wants to ensure their foundational roots in the Word of God

grows deeper Many church groups do not have consistent training material for the newly born again Christian These are for the most part left to feed on scraps they could find here and there Those who provide any such material seldom address critical and pertinent questions the new babe in Christ may have The world is more complex and has unique challenging puzzles for the Christian faith especially for the new Christian This manual is designed to support the new Christian in the quest to seek the Lord Jesus from the very pages of the Holy Scriptures This manual also equips the new believer to also not accept anything at face value but ask good questions for clarification This comes from the premise that the Holy Scriptures have the answers The believer is imbibed with the notion that the answers that the Lord Jesus has revealed can be known in the pages of the scriptures through diligent search For those of us who are older in the faith you may have some of your long held beliefs challenged by biblical textual evidence We all need this learning curve to help us grow Its a tremendous journey Come aboard For those who know it all this manual is not for you **Holiness** Matt Ayars, Christopher T. Bounds, Caleb T. Friedeman, 2023-10-17 The command to be holy is one of Christian life s most challenging and misunderstood commands Three scholars from the Wesleyan tradition constructively argue for a neo holiness that encourages the pursuit of Christian perfection while incorporating historic understandings of grace and the work of the Holy Spirit New Catholic World, 1910
