Performance Audit of the Department of Personnel & Administration's Annual Compensation Study Sjoberg Evashenk Consulting, 2017 *Armstrong's Job Evaluation Handbook* Michael Armstrong, 2018-04-03 Job evaluation is key to ensuring that employees are compensated fairly for their work It is therefore essential that HR professionals have a robust process in place so that pay and reward are transparent and defensible within teams and across departments Armstrong s Job Evaluation Handbook gives HR professionals all the tools they need to assess which approach to job evaluation is most suitable how to implement it and how to maintain it Packed with case studies from leading organizations such as Microsoft Vodafone and the NHS this guide will provide HR professionals with the ability to answer key questions such as how can we decide what is fair to pay our staff how can we make sure that work of equal value receives equal pay and how can we make sure that our salaries remain competitive in the market Armstrong s Job Evaluation Handbook covers everything needed to put effective job evaluation processes in place including analytical matching and market pricing developing job grades and defining pay structures There is also coverage of the latest trends and issues in job

evaluation such as the decline in points rated systems and the use of levelling by consultants Underpinned by original research this is a book that no HR department can afford to be without

Winning at Active Management William W. Priest, Steven D. Bleiberg, Michael A. Welhoelter, 2016-07-07 Winning at Active Management conducts an in depth examination of crucial issues facing the investment management industry and will be a valuable resource for asset managers institutional consultants managers of pension and endowment funds and advisers to individual investors Bill Priest Steve Bleiberg and Mike Welhoelter all experienced investment professionals consider the challenges of managing portfolios through complex markets as well as managing the cultural and technological complexities of the investment business The book s initial section highlights the importance of culture within an investment firm the characteristics of strong cultures the imperatives of communication and support and suggestions for leading firms through times of both adversity and prosperity It continues with a thorough discussion of active portfolio management for equities The ongoing debate over active versus passive management is reviewed in detail drawing on both financial theory and real world investing results The book also contrasts traditional methods of portfolio management based on accounting metrics and price earnings ratios with Epoch Investment Partners philosophy of investing on free cash flow and appropriate capital allocation Winning at Active Management closes with an inquiry into the crucial and growing role of technology in investing The authors assert that the most effective portfolio strategies result from neither pure fundamental nor quantitative methods but instead from thoughtful combinations of analyst and portfolio manager experience and skill with the speed and breadth of quantitative analysis The authors illustrate the point with an example of an innovative Epoch equity strategy based on economic logic and judgment but enabled by information technology Winning at Active Management also offers important insights into selecting active managers the market cycle factors that have held back many managers performance in recent years and the difficulty of identifying those firms that truly possess investment skill Drawing on behavioral economic theory and empirical research the book makes a convincing case that many active investment managers can and do generate returns superior to those of the broad market

Project Communication from Start to Finish Geraldine E. Hynes, 2019-06-13 Research shows that 90 percent of a project manager s time is spent communicating with various stakeholders This book offers strategies that enhance communication throughout the project cycle and describes innovative techniques for bridging cultural gaps increasing understanding and ensuring project success
