**New York Recentered** Kara Murphy Schlichting,2019-04-23 The history of New York City s urban development often centers on titanic municipal figures like Robert Moses and on prominent inner Manhattan sites like Central Park New York Recentered boldly shifts the focus to the city s geographic edges the coastlines and waterways and to the small time unelected locals who quietly shaped the modern city Kara Murphy Schlichting details how the vernacular planning done by small businessmen and real estate operators performed independently of large scale governmental efforts refigured marginal locales like Flushing Meadows and the shores of Long Island Sound and the East River in the late nineteenth and early twentieth centuries The result is a synthesis of planning history environmental history and urban history that recasts the story of New York as we know it

**The Little Engine That Did It** Dr. Richard John Tscherne,2013-10-24 This book is about a journey Every one of us is on a journey that leads us into a labyrinth The roads we travel on are not always straight they have curves bumps and cracks and travel is not easy Even so we continue on that road trusting that it will lead us to someplace that answers the questions we hold Once we get there we understand why the path was not straight The detours that we took were our greatest learning lessons My journey is one of self love Once I started to appreciate who I was my life began to change I stopped pushing against my brick wall which was in my case being born with cerebral palsy and fighting it for as long as I can remember Accepting that I have cerebral palsy has enabled my life to evolve I became humble and empowered and began to understand love What is your journey Has it been a straight road or a meandering one Reflect on that for a moment See your truth as you read through the pages of this book and find your aha moment to lead you to your own empowerment

**The Judge Talks Politics** Francis J. Donovan,2008-09 Francis J Donovan grew up as a poor Irish American but managed to climb his way up the social ladder becoming a lawyer and district court judge in Nassau County New York As someone who pulled himself up by his own bootstraps however he s never been told how the political game is played So when Donovan defies the Republican Party boss of Long Island Joseph Margiotta he finds himself fighting just to hold onto his job In order to beat the boss Donovan must call on all his judicial know how and personal wherewithal Against all odds he wins one battle after another as he learns how to work within the system to fulfill his

personal goals Now after decades of public service Donovan tells all and he provides A snapshot of Nassau County history during a most important time Details on how politics really work Tips on how to analyze issues Advice on how to seek political office And much more Travel with Donovan as he climbs up the political ladder and find out what the politicians don't disclose in *The Judge Talks Politics* *Hidden History of Long Island* Richard Panchyk,2016-07-04 True stories fun facts and photos that reveal the little known secrets of New York's Long Island Long Island's history is filled with fascinating firsts magnificent mansions and colorful characters From Glenn Curtiss the first pilot to fly a plane on the island to Earle Ovington who carried the country's first airmail the area has been known as the cradle of aviation Millionaire William K Vanderbilt's Long Island Motor Parkway remnants of which still remain was the nation's first highway The desolate ruins of an exiled Albanian king's estate lie in the midst of the woods of the Muttontown Preserve Captain William Kidd pirate chaser turned pirate is rumored to have buried treasure on the island With these stories and more Richard Panchyk reveals the rapidly vanishing traces of Long Island's intriguing history Amazing and unknown historical gems *Queens Gazette* **In Levittown's Shadow** Tim Keogh,2023-11-03 Inverting the conventional history of American suburbanization Tim Keogh turns the spotlight from wealth and freedom to poverty and inequality Focusing on the archetypal Long Island communities of the postwar era Keogh shows that a key driver of suburban development and the segregation it embodied was not housing but employment Inequality and injustice were baked into suburban development but housing discrimination was a secondary expression of this not a primary cause As a result equity minded suburbs that focused on housing policy rather than employment opportunities were doomed to fail Keogh hopes to motivate more effective approaches to contemporary inequity by changing our understanding of how it took shape historically 1997 NASA High-Speed Research Program Aerodynamic Performance Workshop Daniel G.
