Byron,2021-03-24 though each journey is different find comfort in the knowledge that you are not alone move on with dignity and grace you are worthy of a love that honors you A J Byron s debut poetry collection explores one person s emotional transformation through snapshots of an unhealthy love Inspired by her personal experience goldfish weaves a tale of infatuation hope betrayal heartbreak and rebirth all through the lens of a toxic love      **Have You Felt His Touch? relationships over a span of a lifetime from finding out early on that moms and dads are not all like Ward and June Cleaver to learning that boys are after more than friendship in junior high to marrying at eighteen and learning what an abusive relationship is all about to finding the survivor within divorcing and after years of searching for love finally coming out around forty years old the poet finds that relationships with women can be just as frustrating and abusive as those with men and that no matter what station you are in life and no matter what side of the fence you sit on love never comes easy and is even harder to find Nevertheless this volume of poems will leave you with a few tears and a few smiles but will never leave you feeling alone No matter who you are if you've ever loved or searched for love you will recognize yourself in these poems If you're a Baby Boomer you will find that the poet incorporates a lot of pop culture from the 1960s and 1970s that will bring memories rushing back if you're a GenXer or a Millennial you will find there's some familiar territory here for you too but all readers will find the clear connection is relationships for better or worse make us into who we are If we're lucky we will have interesting stories poems to tell even if it's not love unfortunately

Sappho and Catullus in Twentieth-Century Italian and North American Poetry Cecilia Piantanida, 2021-01-14 Going beyond exclusively national perspectives this volume considers the reception of the ancient Greek poet Sappho and her first Latin translator Catullus as a literary pair who transmit poetic culture across the world from the early 20th century to the present Sappho's and Catullus reception has shaped a transnational network of poets and intellectuals helping to define ideas of origins gender sexuality and national identities This book shows that across time and cultures translations and rewritings of Sappho and Catullus articulate modernist poetics of myth and fragmentation forms of confessionalism and post modern pastiche The inquiry focuses on Italian and North American poetry as two central yet understudied hubs of Sappho's and Catullus modern reception also linked by a rich mutual intellectual exchange key case studies include Giovanni Pascoli Ezra Pound H D Salvatore Quasimodo Robert Lowell Rosita Copioli and Anne Carson and cover a wide range of unpublished archival material Texts are analysed and compared through reception and translation theories and inserted within the current debate on the Classics as World Literature demonstrating how sustained transnational poetic discourse employs the ancient pair to expand notions of literary

origins and redefine poetry's relationship to human existence      In-between Things: Teju Adisa-Farrar, 2012-08-08 In *between Things* A book of poetry stories of identity and interpreting society is an anthology of poems creative non fiction pieces essays and social commentary written by the young writer and aspiring scholar activist Teju Adisa Farrar This book maps the progress of her ideas throughout her last year of high school and first few years of college Starting with pieces of her life and memories from childhood the book starts off as a creative biography As the book continues on it develops into an array of writings on the author's feelings about love social issues and histories The author shares her intimate thoughts along side old new and developing beliefs and theories about the society she lives in and the world we are all apart of While the author does not hold all these ideas as true anymore she wanted to map out and explore how growth is a creative process that does not mean we are becoming someone different rather that we are learning more about the essence we were always meant to grow into In this book she uses various types of written form to understand her own identity as it relates to her own stories and her expanding understanding of the world This anthology combines identity and interpretation in a way that helps us discover the stories in Adisa Farrar's mind The free flowing nature of the book allows each piece to be new and of its own but add to a larger story of the world as seen through the eyes of a young adult who's passion is endless and boundless
