Autocar & Motor, 1991-06 **National Labor Relations Board Casehandling Manual** United States. National Labor Relations Board, 2007 **Asset Forfeiture**, 1998

Texas Rules of Evidence Manual - Ninth Edition David A. Schlueter, Robert R. Barton, 2012-07-01 Texas Rules of Evidence Manual Ninth Edition provides an updated comprehensive reference to Texas evidence for both civil and criminal cases The book provides a rule by rule analysis of each Rule of Evidence This sturdy hard cover text is designed for heavy use in the courtroom This text helps those who are bound to use the Texas Rules of Evidence whether it is the bench or the bar or those studying evidence While the text contains some academic discussions the book is designed to explain what a particular Rule requires or prohibits to indicate what the appellate courts have said about the Rules and to offer some practical pointers

on using the Rules The book itself has been designed to make it as useful as possible to the harried judge counsel and student who must quickly find the law Following each Rule is an editorial commentary on the Rule explaining how the Rule works what the Texas courts have said about the Rule and how it compares with the Federal Rule because Texas courts often review federal precedent where they find it helpful in applying a Texas Rule When appropriate practical pointers are also provided on how to use the Rule Where the Rules apply in the same fashion for both civil and criminal cases those points are discussed together On the other hand where they diverge the authors have used separate headings for Civil and Criminal when that seems appropriate One of the objectives of the Editorial Analysis in this text is to deal with the interrelationships of the various Rules The authors have noted those areas where the Rules differ from pre Rules case law or statutory provisions Some of the Rules changed the prior Texas evidence law and although many of the Texas Rules agree with the Federal Rules a number differ significantly Casehandling Manual - National Labor Relations Board United States.

National Labor Relations Board, 1975 **National Labor Relations Board Casehandling Manual Part Three Compliance Proceedings** , NOTE NO FURTHER DISCOUNT FOR THIS PRINT PRODUCT OVERSTOCK SALE Significantly reduced list price while supplies last Provides guidance in processing unfair labor practices cases This edition incorporates straightforward language to clarify instruction concerning ULP case processing expands the scope of guidance in many areas and reorganizes the material to facilitate its use In addition several new sections address existing casehandling procedures that previously had not been incorporated into the manual Finally existing sections of the manual have been updated to reflect current case law and General Counsel policies Corporate Small Business attorneys labor union attorneys and employers may be interested in this volume Additionally students pursuing paralegal coursework or law degrees may also be interested in this updated volume Related products Labor Management Relations collection can be found here <https://bookstore.gpo.gov/catalog/business/finance/labor-management-relations> Other products produced by the U S National Labor Relations Board NLRB can be found here <https://bookstore.gpo.gov/agency/1076> **Department of Justice Manual** Wolters Kluwer, 2012-03-23 The new Department of Justice Manual Third Edition takes you inside all the policies and directives outlined in the latest U S Attorneys Manual used universally by the DOJ in civil and criminal prosecutions Along with comprehensive coverage of all the information relied on by today's DOJ attorneys this guide offers you other valuable DOJ publications in the form of Annotations You'll find the Asset Forfeiture Manual the Freedom of Information Act Case List and Merger Guidelines And it's all incorporated in a comprehensive six volume reference You'll discover how to Request immunity for clients using actual terminology from factors that DOJ attorneys must consider Phrase a FOIA request so as to avoid coming within an exempted category of information Draft discovery requests using terminology to avoid triggering an automatic denial by the DOJ Counsel clients on DOJ investigative tactics and their significance using actual DOJ memoranda Develop trial strategies that exploit common problems with certain methods of proof and kinds of evidence offered by the

government Propose settlements or plea bargain agreements within the authority of the DOJ attorney handling the case This new Third Edition of Department of Justice Manual has been expanded to eight volumes and the materials have been completely revised to accommodate newly added materials including the text of the Code of Federal Regulations Title 28 and Judicial Administration as relevant to the enforcement of the Federal Sentencing Guidelines by the Department of Justice The Manual for Complex Litigation and The United States Sentencing Commission Guidelines Manual The new edition also includes The National Drug Threat Assessment for Fiscal Year 2011 and the updated version of the Prosecuting Computer Crimes Manual In an effort to provide you with the best resource possible as part of the Third Edition the Commentaries in each volume have been renumbered to refer to the relevant section in the United States Attorney and s Manual for more efficient cross referencing between the Manual and the Commentaries
