United States. Congress. House. Committee on Appropriations. Subcommittee on Department of Transportation and Related
Agencies Appropriations,1993 *Integrated Air Quality Management* Nguyen Thi Kim Oanh,2012-07-05 The steady growth
in the number of vehicles on the road heavy reliance on coal use of dirty fuels for residential combustion and extensive open
burning are some of the major factors leading to the progressive deterioration of air quality in developing countries in Asia
And despite efforts to establish and implement air quality measurement systems the development of infrastructure
environmental technology and management practices continues to lag behind the rate of emission increase Based on ten
years of coordinated research *Integrated Air Quality Management Asian Case Studies* discusses technical and policy tools for
the integrated air quality management of developing countries in Asia The book begins with an overview of major issues of
air quality management practices in developing Asia and potential approaches to reduce pollution including opportunities for
integration of air quality improvement and climate migration strategies It covers the methodology and results of fine
particulate matter monitoring using traditional filter based and satellite monitoring techniques It examines the applications
of a 3D dispersion modeling tool for urban and regional air quality management focusing on surface ozone fine particulate
matter and acid deposition The final chapters discuss innovative control technologies for gaseous air pollutants and illustrate
the integrated air quality management in developing Asia through case studies for target source categories including
agricultural residue field burning vehicle emissions brick kilns and industrial VOC emission Illustrated with case studies this
book presents an integrated air quality management methodology that employs technical and policy tools to achieve air
quality goals It includes technical information and policy recommendations based on the outcomes of several multi year air
quality research programs coordinated by the Asian Institute of Technology The text combines fundamental information and
advanced knowledge useful to large audiences dealing with subjects of integrated air quality management **The**
