What A Deal:

Advanced Introduction to Private Equity Gompers, Paul A., Kaplan, Steven N., 2022-08-12 This Advanced Introduction provides an illustrative guide to private equity integrating insights from academic research with examples to derive practical recommendations Paul Gompers and Steven Kaplan begin by reviewing the history of private equity then exploring the evidence on performance of private equity investments at both the portfolio company level and fund level documenting the creation of economic value The book then presents a set of actionable frameworks for driving value creation in private equity investments It concludes by examining how private equity investors raise funds and how they successfully manage their private equity firms

Business Alchemy William R. Cobb, M. L. Johnson Ed D. Ph. D., 2012 Entrepreneurs play a vital role in economic development as key contributors to technological innovation and new job growth We discovered that many people just like you have the urge to create an enterprise to help themselves and to make a difference in this world While successful entrepreneurs like Steve Jobs and Bill Gates are well publicized the harsh reality is that most new businesses are prone to failure because they don't have access to accurate information about the entrepreneurial process This book is a word map for guiding you through that process from refining your business idea and securing capital to a successful launch into the marketplace There are many types of business ideas to pursue and you are probably better educated than many historic entrepreneurs both Thomas Edison and Ray Kroc being high school dropouts and both Steve Jobs and Bill Gates being college dropouts If you hunger to be your own boss and to make a contribution to society with your ideas then Business Alchemy Turning Ideas into Gold has the information for which you have been searching
