Telos Aurelia Louise Jones, 2004-01-01 **Atlantis and Lemuria** Rudolf Steiner, 2022-05-21 There was a time when a continent called Atlantis still lay between Europe and America This portion of the world s surface was at one time land this land now forms the bottom of the Atlantic Ocean Plato alluded to the last remaining remnant of that lost continent when he spoke of the Island of Poseidon Countless publications are dedicated to proving that Atlantis existed and attempt to discover the location of the Lost Continent Here accepting the existence of Atlantis the author pontificates on the spiritual condition of soul attempts to indicate the inner nature of the conditions under which they lived An interesting discourse on the evolution of the Atlantean and Lemurian race as revealed by the Akashic records Atlantis was first mentioned in Plato s works Timaeus and Critias written in 360 BC Obtained from the Akashic Records and under the influence of the Theosophical Publishing Society Steiner presents in this work the Akashic information available about Atlantis and Lemuria *The Story of Atlantis and the Lost Lemuria* W. The Submerged Continents of Atlantis and Lemuria, Their History and Civilization Rudolf Steiner, 1911 **The Story of Atlantis and the Lost Lemuria** W. Scott-Elliot, 2018-10-12 For readers unacquainted with the progress that has been made in recent years by earnest students of occultism attached to the Theosophical Society the significance of the statement embodied in the following pages would be misapprehended without some preliminary explanation Historical research has depended for western civilisation hitherto on written records of one kind or another When literary memoranda have fallen short stone monuments have sometimes been available and fossil remains have given us a few unequivocal though inarticulate assurances concerning the antiquity of the human race but modern culture has lost sight of or has overlooked possibilities connected with the investigation of past events which are independent of fallible evidence transmitted to us by

ancient writers The world at large is thus at present so imperfectly alive to the resources of human faculty that by most people as yet the very existence even as a potentiality of psychic powers which some of us all the while are consciously exercising every day is scornfully denied and derided The situation is sadly ludicrous from the point of view of those who appreciate the prospects of evolution because mankind is thus wilfully holding at arm s length the knowledge that is essential to its own ulterior progress The maximum cultivation of which the human intellect is susceptible while it denies itself all the resources of its higher spiritual consciousness can never be more than a preparatory process as compared with that which may set in when the faculties are sufficiently enlarged to enter into conscious relationship with the super physical planes or aspects of Nature

However the Elders intention is to complete our education to present the entire body of knowledge kept secret for ages to prepare for the leap in planetary evolution To accomplish that they stimulate deep soul memories by presenting details of their society that encompass the order logic and harmony of the universe They remind us to allow recognition knowledge residing in individual souls to just happen They encourage us not just to understand with our intellects but to feel the wisdom in our bodies Most importantly the Elders quietly remind us that Universal Laws and Wisdom were initiated and put into motion by a loving Creator Source so that everyone can live one s essential nature of peace harmony love and joy Atlantis and Lemuria M.
