Mercenaries: A Guide to Private Armies and Private Military Companies Alan Axelrod, 2013-12-27 Mercenaries have been active in battle from the beginning of military history and as private armies and military support firms they are a major component of warfare today Security military advice training logistics support policing technological expertise intelligence transportation all are outsourced to a greater or lesser degree in the U S military However privatization is not a uniquely American phenomenon Countries as diverse as Saudi Arabia and Australia rely on privatization in one form or another Historically heads of state politicians and other administrators have justified use of mercenaries on the basis of their effectiveness and cost savings These reasons and others continue to serve as rationales

for use of private military companies in military strategy Mercenaries A Guide to Private Armies and Private Military Companies provides a comprehensive survey and guide to mercenary forces entrepreneurs and corporations active on the international military scene today including a concise history of mercenaries and private armies on land sea and in the air Narrative chapters are amply supplemented by sidebars including biographies of major figures key statistics historical and current documents contracts and legislation on private armies and outsourced military services Each chapter includes a bibliography of books journal articles and web sites and a general bibliography concludes the entire work **India A "Spy" Guide Volume 1 Strategic Information, Intelligence, National Security** IBP, Inc.,2017-11-30 India A Spy Guide Strategic Information and Developments CEO Guide to Doing Business in South Africa Ade Asefeso MCIPS MBA,2012-01-24 Often new exporters will feel a bit overwhelmed about trading with South Africa Much consideration and planning will need to go into deciding on the company type delivery of products and services marketing strategies and local conditions Before making these big decisions exporters and investors should spend some time thinking about business objectives *The Development of the Zimbabwe National Defense College, 2004-2012* Max John Chinyanganya,2024-01-05 This book interrogates the often controversial civil military relations debate in Zimbabwe The study argues that theoretically Civil Military Relations CMR describes the relationship between civil society as a whole and the military organization or organizations established to protect it More narrowly it describes the relationship between the civil authority of a given society and its military institutions Studies of civil military relations often rest on a normative assumption that civilian control of the military is preferable to military control of the state This text demonstrates the complexity of relationship between military institutions and civic societies particularly in developing countries The methodology employed here is a mixture of internationally recognised scholarly works supplemented by extensive interviews arising from international benchmarking with similar institutions worldwide This coherent and accessible book brings the history of civil military relations up to date exploring a variety of perspectives and newly emerging practices in developing countries whose experience in this field is relatively new in both theory and practice **Document Retrieval Index** ,1976 *Routledge Handbook of African Security* James Hentz,2013-08-22 This new Handbook examines the issues challenges and debates surrounding the problem of security in Africa Africa is home to most of the world s current conflicts and security is a key issue However African security can only be understood by employing different levels of analysis the individual human security the state national state security and the region regional international security Each of these levels provides analytical tools for understanding what could be called the African security predicament and these debates are animated by the new security issues immigration small arms transfers gangs and domestic crime HIV AIDS transnational crime poverty and environmental degradation African security therefore not only presents concrete challenges for international security but provides a real world context for challenging conventional conceptions of security Drawing together contributions from a wide range of key

thinkers in the field the Routledge Handbook of African Security engages with these debates and is organized into four parts Part I The African security predicament in the twenty first century Part II Understanding conflict in Africa Part III Regionalism and Africa Part IV External influences This Handbook will be of great interest to students of African politics human security global security war and conflict studies peacebuilding and IR in general
