aspects **Discipleship from Jesus's Perspective** George Gray,2012-11 In this masterful work George Gray calls the church to live out the most natural expression of her love and obedience to the Master Grounded in careful exegesis comprehensive and sensitive to the complexities of modern life Gray examines the Gospels as a script that reveals not only how Jesus shaped the first disciples but how we must carry on making disciples in His name David B Capes Thomas Nelson Research Professor Houston Baptist University Discipleship is not about teaching someone to pray and read his or her Bible it is about learning how Jesus wants us to pray and read our Bibles Discipleship is not about the doctrine of the Church but the doctrine of Jesus Christ the head of the Church It is not about attending a church service but attending to the Lord Jesus s view of what it means to be the church In Discipleship from Jesus s Perspective author George Gray presents a guide for becoming a disciple the way Jesus intended that discipleship means adhering to His expressed will Gray carefully examines Jesus s pivotal statements regarding discipleship and unearths the key principles that transform the art of making a disciple from a subjective guessing game to an objective and definitive master plan Including purposeful questions and exercises Discipleship from Jesus s Perspective provides practical steps for following the master plan and applying the commands to everyday life to become a true disciple of Jesus God's Promise and the Future of Israel Don Finto,2006-01-13 God s promise and timing have intersected in our day Witness the Jewish return to Israel the rise of Messianic Jewish believers and the shifting of the church s power center from the West to Asia Africa and Latin America the fastest growing segments of the Body of Christ in our day This has brought about many questions as the church comes to grips with these sweeping changes What does Scripture say about the future of the nation of Israel What is right and wrong about the Messianic Jewish movement Where do the Arab nations fit in to God s plan How does this all affect the church and how can the church fulfill its role in this end time scenario Don Finto explores these questions and shows how to navigate the new landscape in this illuminating book *Zhejiang* Paul Hattaway,2025-01-14 Zhejiang a prosperous eastern province is home to the highest percentage of Christians in China This volume describes how God established His kingdom there The region contains so many churches that it has earned the nickname the Jerusalem of China The Church in Zhejiang made great sacrifices during the Cultural Revolution From just one city 48 church leaders died for their faith The Communists earmarked Zhejiang as a religion free zone yet Jesus Christ is worshipped today by more than thirteen million people throughout the province This is the third volume in The China Chronicles which tells the modern history of the Church in China The series is designed to inform the wider world of the astonishing work of the Holy Spirit in the world s most populous country Living in God's True Story Donald L. Morcom,2021-06-09 We all need a reminder of the true story at the heart of the gospel In the face of false teachers and skeptics Peter wrote his second epistle to remind his readers of God s true story They needed to be reoriented to the truth of their identity and status in Christ Christians continue to experience similar challenges to our spiritual foundations today In Living in God s True Story 2 Peter Donald L Morcom shows that remembering the truth is the

core theme of Peter's second letter In the midst of false alternatives he encourages believers to live faithful lives that demonstrate love and wisdom Though it may be short 2 Peter is an impactful letter that explains how we can order our lives in accordance with God's true story *Warlike Christians in an Age of Violence* Nick Megoran, 2017-10-03 How should

Christians respond to war This age old question has become more pressing given Western governments recent overseas military interventions and the rise of extremist Islamist jihadism Grounded in conservative evangelical theology this book argues the historic church position that it is inadmissible for Christians to use violence or take part in war It shows how the church's propensity to support the just wars crusades rebellions or humanitarian interventions of its host nations over time has been disastrous for the reputation of the gospel Instead the church's response to war is simply to be the church by preaching the gospel and making peace in the love and power of God The book considers challenges to this argument for gospel peace What about warfare in the Old Testament and military metaphors in the New What of church history And how do we deal with tyrants like Hitler and terrorists like Islamic State Charting a path between just war theory and liberal pacifism numerous inspiring examples from the worldwide church are used to demonstrate effective and authentically Christian responses to violence The author argues that as Christians increasingly drop their unbiblical addiction to war we may be entering one of the most exciting periods of church history **The Way Back** Phil Cooke, Jonathan Bock, 2018-02-06

This book is both timely and needed Provocative yes because the message is essential at this decisive hinge moment in time Philip Yancey Author *Vanishing Grace* *The Way Back* is the way forward Erwin Raphael McManis Founder of Mosaic and Author *The Last Arrow* On a dusty hilltop Jesus once kickstarted His church with a ragtag group of fishermen who called themselves *The Way* Truth be told the builders of Christianity were a bunch of nobodies Like us they were powerless and flawed and sometimes petty But they were committed They were all in Within a remarkably short time *The Way* became the world's most influential religious faith a force in culture politics literature science philanthropy and the arts Against impossible odds that group of nobodies astonished the world Two thousand years later by any measure Christianity is retreating on all fronts *The Way* has lost its way In *The Way Back* media and marketing experts Phil Cooke and Jonathan Bock take a hard look at Christians today and reveal that we as a salesforce have lost our faith in our product Where's the passion the excitement and the commitment that two thousand years ago made such improbable and staggering growth possible *The Way Back* will inspire and equip you to learn from that wonderful group of nobodies so that you too can astonish the world once more *Understanding Chinese Society* Xiaowei Zang, 2012-03-12 As China gains power economically

Truth, Life Michael Pietrzyk, 2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus then this book is for you So many Christians take Jesus for granted and so many people do not understand His torment and the suffering He endured for us We began a spiritual journey when we enter this world We have a natural body and a world full of responsibilities to challenge us on our journey We are influenced by many outside sources and personal interactions with our family members and friends Ultimately we make the most important decision of our life Do we believe in God and accept Jesus as our Savior or do we reject God and accept atheism When you analyze the facts of the life of Jesus his loving teachings his horrible suffering death and miraculous resurrection you come to understand He did it for you Jesus is the Way the Truth and the Life His teaching brings light into your life Jesus is the gateway to eternal happiness when we leave this world Atheism with its evil influence wants to drag you down and have you reject God Atheists are in total denial about God Jesus supernatural experiences something from nothing and the wisdom in the formation of this universe and mankind Atheists want you to believe you will simply rot in the ground and accept life with no future hope If you are an atheist don't laugh at this thought and concern As a Christian I care for you and your soul That is certainly more than what the atheistic thinking has in mind for you Atheism under the influence of Satan offers you nothing but the doorway to eternal conscious separation from God This book is a direct challenge to the thoughts and beliefs of the atheist I wrote this book with the hope it just might stir the mind of a non believer Then believing the Holy Spirit will do the rest
