The High Window Classic Hardboiled Detective Fiction

Lewis D. Moore

The High Window Classic Hardboiled Detective Fiction:

The High Window Raymond Chandler, 2005-07-07 A CLASSIC NOVEL BY THE MASTER OF HARD BOILED CRIME THE HIGH WINDOW IS RAYMOND CHANDLER S THIRD STORY FEATURING LACONIC PI PHILIP MARLOWE He lay crumpled on his back Very lonely very dead The safe door was wide open A metal drawer was pulled out It was empty now There may have been money in it once Los Angeles PI Philip Marlowe s on a case his client a dried up husk of a woman wants him to recover a rare gold coin called a Brasher Doubloon missing from her late husband s collection That s the simple part It becomes more complicated when Marlowe finds that everyone who handles the coin suffers a run of very bad luck they always end up dead That s also unlucky for a private investigator because leaving a trail of corpses around LA puts cops noses seriously out of joint If Marlowe doesn t wrap this one up fast he s going to end up either in jail or in a wooden box in the ground Chandler s books should be read and judged not as escapist literature but as works of art W H Auden Chandler grips the mind from the first sentence Daily Telegraph One of the greatest crime writers who set standards others still try to attain Sunday Times Chandler is an original stylist creator of a character as immortal as Sherlock Holmes Anthony Burgess

The High Window Raymond Chandler, 2018-03-29 Philip Marlowe s client a dried up husk of a woman wants him to recover a rare gold coin called a Brasher Doubloon missing from her late husband s collection Easy Probably too easy Unfortunately each time the Doubloon pops up so does a murder That s unlucky for a private investigator because leaving a trail of corpses around LA gets cops noses out of joint If Marlowe doesn t wrap this one up fast he s going to end up in jail or worse in a box in the ground We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

The High Window Raymond Chandler, 2021-08-31 In The High Window Raymond Chandler crafts a compelling narrative that reinvigorates the classic hard boiled detective genre The plot follows private investigator Philip Marlowe as he navigates the murky waters of a missing coin case revealing the intricate connections between wealth deceit and moral ambiguity in post war Los Angeles Chandler s signature prose is marked by vivid imagery and sharp wit encapsulating the gritty ambiance of the city while delving into the psychological complexities of his characters This novel stands as a key contribution to the noir tradition reflecting the disillusionment of a society grappling with its own corruption and ethical decay Raymond Chandler a pivotal figure in American literature drew on his

experiences in various fields including oil and advertising to inform his writing His keen observations of social dynamics and a deep understanding of human motivations shine through in his work In *The High Window* Chandler s personal struggles and reflections on the nature of justice manifest in Marlowe s relentless pursuit of truth amidst a labyrinth of moral quandaries Readers seeking an engrossing exploration of moral complexity and atmospheric storytelling will find *The High Window* an essential addition to their collection Chandler s masterful blend of suspense and character depth not only entertains but provokes thought about the very essence of virtue and vice in a seemingly corrupt world *The High Window* Raymond Chandler,2018-07-10 *The High Window* by Raymond Chandler Philip Marlowe s client a dried up husk of a woman wants him to recover a rare gold coin called a Brasher Doubloon missing from her late husband s collection Easy Probably too easy Unfortunately each time the Doubloon pops up so does a murder That s unlucky for a private investigator because leaving a trail of corpses around LA gets cops noses out of joint If Marlowe doesn t wrap this one up fast he s going to end up in jail or worse in a box in the ground We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **Hard-Boiled** Erin Smith,2010-07-07 An examination of the culture that produced and supported pulp fiction *The High Window* Raymond Chandler,2020-07-14 The body count in this thriller starring Chandler s quintessential Private Eye Philip Marlowe is comparatively higher compared than some of his other works One could say the bodies fall one two three four as Marlowe tracks down a missing gold doubloon Who knew one piece of metal could lead to so much trouble As always Chandler s prose is on his own level however unpleasant Marlowe s cases may become What I find fascinating in Chandler s detective novels is the extraordinary contrast in terms of character development Trophy wives and strong armed husbands all undergo serious emotional upheaval death and unforgettable changes to their lives while our companion Phillip Marlowe ever the frank gruff shamus never has any of this himself While he may have guns pointed at him framed for murder or beaten up and tossed in the slammer *The Long Goodbye* Marlowe always goes back to his home to play chess drink gin and smoke a cigarette **Cracking the Hard-Boiled Detective** Lewis D. Moore,2015-01-24 The hard boiled private detective is among the most recognizable characters in popular fiction since the 1920s a tough product of a violent world in which police forces are inadequate and people with money can choose private help when facing threatening circumstances Though a relatively recent arrival the hard boiled detective has undergone

steady development and assumed diverse forms This critical study analyzes the character of the hard boiled detective from literary antecedents through the early 21st century It follows change in the novels through three main periods the Early roughly 1927 1955 during which the character was defined by such writers as Carroll John Daly Dashiell Hammett and Raymond Chandler the Transitional evident by 1964 in the works of John D MacDonald and Michael Collins and continuing to around 1977 via Joseph Hansen Bill Pronzini and others and the Modern since the late 1970s during which such writers as Loren D Estleman Liza Cody Sara Paretsky Sue Grafton and many others have expanded the genre and the detective character Themes such as violence love and sexuality friendship space and place and work are examined throughout the text Instructors considering this book for use in a course may request an examination copy here [The Big Sleep & Farewell, My Lovely](#) Raymond Chandler, 2011-11-16 These two classic novels featuring private eye Philip Marlowe made Raymond Chandler's name synonymous with America's hard boiled school of crime fiction The Big Sleep was an instant success when first published in 1939 It centers around a paralyzed California millionaire with two psychopathic daughters he involves Marlowe in a case of blackmail that turns into murder Farewell My Lovely which Chandler regarded as his finest work came out the following year It has Marlowe dealing with the Los Angeles gambling circuit a murder he stumbles upon and three very beautiful but potentially deadly women Chandler writes like a slumming angel and invests the sun blinded streets of Los Angeles with a romantic presence said Ross Macdonald And George V Higgins wrote Chandler is fun to read He's as bleak as tundra and his dirtbag characters far outnumber his stellar citizens but Philip Marlowe is a laconic tour guide through a zoo of truly interesting animals From the Hardcover edition [The Big Sleep; Farewell, My Lovely; The High Window](#) Raymond Chandler, 2002-10-15 Raymond Chandler's first three novels published here in one volume established his reputation as an unsurpassed master of hard boiled detective fiction The Big Sleep Chandler's first novel introduces Philip Marlowe a private detective inhabiting the seamy side of Los Angeles in the 1930s as he takes on a case involving a paralyzed California millionaire two psychotic daughters blackmail and murder In Farewell My Lovely Marlowe deals with the gambling circuit a murder he stumbles upon and three very beautiful but potentially deadly women In The High Window Marlowe searches the California underworld for a priceless gold coin and finds himself deep in the tangled affairs of a dead coin collector In all three novels Chandler's hard edged prose colorful characters vivid vernacular and above all his enigmatic loner of a hero enduringly establish his claim not only to the heights of his chosen genre but to the pantheon of literary art Featuring the iconic character that inspired the forthcoming film Marlowe starring Liam Neeson *Western and Hard-Boiled Detective Fiction in America* Cynthia S. Hamilton, 1987-06-18 **The Cambridge Companion to Popular Fiction** David Glover, Scott McCracken, 2012-04-05 Popular commercial fiction emerged in the nineteenth century with serialised novels and sensational penny dreadfuls Today it remains a multi million dollar industry giving pleasure to many but it is also a field of growing interest for scholars and students of literature This Companion covers the major developments in the history of popular

fiction with specially commissioned chapters on pulp fiction bestsellers and comics and graphic narratives The volume also examines the public and personal everyday contexts within which popular texts are read highlighting the ways in which such narratives have circulated across a variety of constantly changing media including theatre television cinema and new computer based digital forms Case studies from key genres crime fiction romance and Gothic horror as well as a full chronology and guide to further reading make this collection indispensable to all those interested in this complex and vibrant cultural field

A Companion to the Modern American Novel, 1900 - 1950 John T. Matthews, 2013-06-10 This cutting edge Companion is a comprehensive resource for the study of the modern American novel Published at a time when literary modernism is being thoroughly reassessed it reflects current investigations into the origins and character of the movement as a whole Brings together 28 original essays from leading scholars Allows readers to orient individual works and authors in their principal cultural and social contexts Contributes to efforts to recover minority voices such as those of African American novelists and popular subgenres such as detective fiction Directs students to major relevant scholarship for further inquiry Suggests the many ways that modern American and fiction carry new meanings in the twenty first century

Booze and the Private Eye Rita Elizabeth Rippetoe, 2015-01-24 The hard bitten PI with a bottle of bourbon in his desk drawer it s an image as old as the genre of hard boiled detective fiction itself Alcohol has long been an important element of detective fiction but it is no mere prop Rather the treatment of alcohol within the works informs and illustrates the detective s moral code and casts light upon the society s attitudes towards drink This examination of the role of alcohol in hard boiled detective fiction begins with the genre s birth in an era strongly influenced and affected by prohibition and follows both the genre s development and its relation to our changing understanding of and attitudes towards alcohol and alcoholism It discusses the works of Dashiell Hammett Raymond Chandler Mickey Spillane Robert B Parker Lawrence Sanders Marcia Muller Karen Kijewski and Sue Grafton There are bibliographies of both the primary and critical texts and an index of authors and works

In Search of the Paper Tiger Gary Hoppenstand, 1987 The author examines the process of social life and the relationship of myth popular formula and the mystery genre to social psychology The book presents social construction of reality theory as a methodology upon which the structure of mass mediated popular fiction can be examined postulating definitions of myth and formula and advancing a new language of literary analysis that acknowledges the socially defining democratizing experience of popular fiction Social psychological analysis is focused on the mystery genre and examines its taxonomy including the supernatural fiction noir gangster thief thriller and detective formulas

Essays on Detective Fiction Bernard Benstock, 1983-12-15

It Didn't Mean Anything Alexander N. Howe, 2008-03-17 This critical study of American detective fiction examines the history and development of the detective genre through the lens of psychoanalysis Applying the ideas of French psychoanalyst Jacques Lacan the author identifies and categorizes popular works according to the fictional protagonist s hysteria obsessive neurosis perversion or psychosis The first chapter identifies several instances of

hysteria within the fiction of two of the genre's pioneers Edgar Allan Poe and Arthur Conan Doyle Chapter Two traces the development of the hard-boiled detective's code of honor through the works of Dashiell Hammett Raymond Chandler and Mickey Spillane identifying the often paradoxical nature of this code and its origins in obsessive neurosis Chapter Three analyzes the anti-detective fiction of Philip K Dick in terms of paranoid psychosis and the final chapter returns to the question of hysteria taking up the female hard-boiled detectives of author Marcia Muller

Turner Classic Movies Presents Leonard Maltin's Classic Movie Guide Leonard Maltin, 2015-09-29 The definitive guide to classic films from one of America's most trusted film critics Thanks to Netflix and cable television classic films are more accessible than ever Now co-branded with Turner Classic Movies Leonard Maltin's Classic Movie Guide covers films from Hollywood and around the world from the silent era through 1965 and from *The Maltese Falcon* to *Singin' in the Rain* and *Godzilla King of the Monsters* Thoroughly revised and updated and featuring expanded indexes a list of Maltin's personal recommendations and three hundred new entries including many offbeat and obscure films this new edition is a must-have companion for every movie lover

War Noir Sarah Trott, 2016-11-03 The conflation of the hard-boiled style and war experience has influenced many contemporary crime writers particularly in the traumatic aftermath of the Vietnam War Yet earlier writers in the genre such as Raymond Chandler remain overlooked when it comes to examining how their war experience affected their writing Sarah Trott corrects this oversight by examining Chandler alongside the World War I writers of the Lost Generation as well as highlighting a melding of very different styles in Chandler's work Based on Chandler's experience in combat Trott explains that the writer created detective Philip Marlowe not as the idealization of heroic individualism as is commonly perceived but instead as an authentic individual subjected to very real psychological frailties from trauma during the First World War Inspecting Chandler's work and correspondence indicates that the characterization of the fictional Marlowe goes beyond the traditional chivalric readings and can instead be interpreted as a genuine representation of a traumatized veteran in American society Substituting the horror of the trenches for the corruption of the city Chandler formed a disillusioned protagonist in an uncaring America Chandler did so with the sophistication necessary to straddle genre fiction and canonical literature The sum of this work offers a new understanding of how Chandler uses his war trauma how that experience established the traditional archetype of detective fiction and how this reading of his fiction enables Chandler to transcend generic limitations and be recognized as a key twentieth-century literary figure

American Literature from 1945 Through Today Britannica Educational Publishing, 2010-04-01 Perhaps the most defining characteristic of American literature composed after World War II is the rejection of conventional form and structure with its increasingly uninhibited and experimental style Embracing works from previously marginalized groups like African Americans and women and ushering in new genres contemporary American literature has progressively begun to mirror the American population in diversity and versatility In this volume readers are invited to think critically about the social issues and ideas that are as much a part of

modern American life as they are of modern American literature Historical Dictionary of American Cinema M. Keith Booker, 2021-06-01 One of the most powerful forces in world culture American cinema has a long and complex history that stretches through more than a century This history not only includes a legacy of hundreds of important films but also the evolution of the film industry itself which is in many ways a microcosm of the history of American society Historical Dictionary of American Cinema Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 600 cross referenced entries covering people films companies techniques themes and subgenres that have made American cinema such a vital part of world culture
