Welch, Jody Dean, 2025-09-15 In the third edition of Church Administration Robert Welch and Jody Dean provide an in depth and thorough guide to the organization of the church and administration Welcome to the Episcopal Church Christopher L. Webber, 1999-12-01 A comprehensive easy to understand primer to the Episcopal faith for new members inquirers and Church members who are unfamiliar with its history beliefs and practices Written in accessible language and in a conversational tone this introduction to the Episcopal Church is the ideal resource for adult parish study newcomers and others interested individuals From an Episcopal perspective the author explores the Church s history worship beliefs spiritual life organization of the church mission and outreach and the way followers read and understand the Bible Study questions accompany each chapter Welcome to the Episcopal Church makes clear that the worship of God is the most important thing that can be said about us and that worship is the source for everything else in our life together our commitment to justice for all people our mission to those who do not yet know Jesus Christ as their Lord and Savior and how we should live out our lives in this very complex world from the Foreword The Most Rev Frank T Griswold III Presiding Bishop and Primate **Strangers and Friends at the Welcome Table** James Hudnut-Beumler, 2018-03-19 In this fresh and fascinating chronicle of Christianity in the contemporary South historian and minister James Hudnut Beumler draws on extensive interviews and his own personal journeys throughout the region over the past decade to present a comprehensive portrait of the South s long dominant religion Hudnut Beumler traveled to both rural and urban communities listening to the faithful talk about their lives and beliefs What he heard pushes hard against prevailing notions of southern Christianity as an evangelical Protestant monolith so predominant as to be unremarkable True outside of a few spots no non Christian group forms more than six tenths of one percent of a state s population in what Hudnut Beumler calls the Now South Drilling deeper however he discovers an unexpected blossoming diversity in theology practice and outlook among southern Christians He finds alongside traditional Baptists black and white growing numbers of Christians exemplifying changes that no one could have predicted even just forty years ago from congregations of LGBT supportive evangelicals and Spanish language church services to a Christian homeschooling movement so robust in some places that it may rival public education in terms of acceptance He also finds sharp struggles and political divisions among those trying to reconcile such Christian values as morality and forgiveness the aftermath of the mass shooting at Charleston s Emanuel A M E Church in 2015 forming just one example This book makes clear that understanding the twenty first century South means recognizing many kinds of southern Christianities **Women are Defective Males** Grace Walker, 2010
