The Grasshopper King Jordan Ellenberg,2014-05-01 Chandler State University is the one thing keeping the dusty Western town of Chandler on the map Now that its basketball program has fallen apart CSU s only claim to fame is its Gravinics Department dedicated to the study of an obscure European country its mythology its extraordinarily difficult language and especially its bizarre star poet Henderson Having discovered Henderson s poetry in a trash bin Stanley Higgs becomes the foremost scholar of the poet s work accepts a position at Chandler State University achieves international academic fame marries the Dean s daughter and abruptly stops talking With all of academia convinced that Higgs is formulating a great truth the university employs Orwellian techniques to record Higgs s every potential utterance and to save its reputation A feckless Gravinics language student Samuel Grapearbor together with his long suffering girlfriend Julia is hired to monitor Higgs during the day Over endless games of checkers and shared sandwiches a uniquely silent friendship develops As one man struggles to grow up and the other grows old The Grasshopper King in all of his glory emerges In this debut novel about treachery death academia marriage mythology history and truly horrible poetry Jordan Ellenberg creates a world complete with its own geography obscene folklore and absurdly endearing characters a world where arcane subjects flourish and the smallest swerve from convention can result in immortality Jordan Ellenberg was born in Potomac Maryland in 1971 His brilliance as a mathematical prodigy led to a feature in The National Enquirer an interview with Charlie Rose on CBS s Nightwatch and gold medals at the Math Olympiad in Cuba and Germany He is now an Assistant Professor of Math at Princeton University and his column Do the Math appears regularly in the online journal Slate This is his first novel

The Spirit of Revival (With the Complete, Modernized Text of The Distinguishing Marks of a Work of the Spirit of God) R. C. Sproul,Archie Parrish,Jonathan Edwards,2008-01-14 A key figure during the Great Awakening Jonathan Edwards wrote this important discourse The Distinguishing Marks of a Work of the Spirit of God in 1741 just after the revival had reached its peak In his thorough exploration of the true and false signs of revival drawn from 1 John 4 Edwards concludes that while a movement may be accompanied by excesses and questionable actions these signs do not necessarily disqualify it as authentic In a refreshing way Edwards embraces a genuine enthusiasm in these manifestations while stressing the need for biblical discernment His critique is kind and gentle as he points to the true marks of revival love and humility In The Spirit of Revival Parrish makes Edwards s entire work more accessible by modernizing the text and adding explanatory notes R C Sproul s extended introduction compares the great theologian s time to our own and the preface by Edwards s contemporary William Cooper rings resoundingly to the people of God today Edwards s message provides more than just insight into the Great Awakening It is a map to follow for all revivals in all times
