Husband, 2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series Blood and Magic: Verdan Chronicles Volume 8 David Gerspach, 2017-03-10 Blood and Magic continues the adventures of Celecia and Dakoran in Verdan's future While they attempt to find a way back home they must also deal with the growing threat from North Maroa and resurgence of an ancient enemy the vampires The demonic creatures from Jamut's realm are once again led by the demon who inhabits the body of Celecia's former sister Tathiel And with the growing presence of magic these mystically fueled creatures will no longer be contained In North Maroa Wendy leads a band of rebels seeking to depose the president who came from Verdan's past Mriccon travels to Parthea to learn the state of the religion he founded And while the world reels from unfolding events a forced reunion causes enemies to reveal past secrets and work together if they are to survive Their efforts result in a better understanding of each other and of themselves All of this leads to a cataclysmic confrontation and sets the stage for The Fifth Age **WILDE NOW** Pierpaolo Martino, 2023-05-08 WILDE NOW reads Oscar Wilde through our now through a contemporary sensibility and approach in which literature and popular culture interrogate and are interrogated by critical concepts and categories such as performance celebrity intermediality and consumerism This volume exceeds the shape and meaning of a critical study to turn into a drama of five different acts

moments in Wilde's life and work his early performances in Dublin London and Oxford the 1882 American tour his successful season of the first half of the 1890s his prison years and finally his glorious resurrection in contemporary pop culture Most importantly WILDE NOW approaches these moments through contemporary rewritings and performances of Oscar Wilde in the fields of cinema music and literature by such artists as Al Pacino Rupert Everett Stephen Fry Gyles Brandreth David Hare David Bowie Morrissey Nick Cave Neil Tennant Gavin Friday These artists through their awareness of the importance of being playing Oscar in their specific worlds and cultural contexts will also show us that Wilde can be conceived as a subversive critical role one might successfully perform and appropriate now more than ever *Airline* Kevin Donovan, 2005

He was flying a plane his plane And though he would manage to land it safely that evening his soul would remain aloft for the rest of his life And so begins the tale of young Marty Willman who turns a fledgling crop dusting operation into a commercial airline empire His entrepreneurial spirit and paternal leadership through the early part of the 20th century give rise to a loyal family of employees and the eventual ascendance of Wesley Arnold the authoritarian CEO who guides the corporation through the growth and acquisitions of the 1990s Among Wesley's legions are Caroline and Danny whose youthful love for each other evolves into a loyal friendship Their shared devotion to their company combines with tumultuous real life events to form a vivid backdrop for the turbulent ride of a once humble enterprise From the cotton fields of the Mississippi Delta to the transformations of 9/11 from the graceful arc of a single biplane to the roar of a jumbo jet AIRLINE is the story of a corporation of the battle between loyalty and the headwinds of powerful self interest And of the endurance of relationships in the face of events we can never control Only Mostly Devastated Sophie Gonzales, 2020-03-03
