**That Elusive Cure** Lisa C. Hinsley, 2014-12-09 Kathy is going to die All that's left to do is prepare for the end While waiting for her chemotherapy session a woman called Janie approaches Kathy offering a revolutionary treatment for cancer Janie pitches the cure like an expert and what does Kathy have to lose The doctors now measure her life in months not years Kathy follows Janie to an abandoned church where a futuristic machine is hidden Made of silvery metal long and with rounded edges the pod is like nothing Kathy's ever seen before Janie encourages her to climb in telling her the process is painless and quick A few sessions are all she'll need to be cured Despite serious reservations what does she have to lose She gets in And the results are miraculous A few days later when the wonderful sense of well being she experienced begins to ebb all she can think about is having another session In spite of the apparent improvement Kathy's renewed energy is soured by doubt What exactly is this machine What if none of this is real and the next MRI shows all the tumors are still there Time is so short THAT ELUSIVE CURE is about facing up to illness both mental and physical of family struggle and above all the amazing power of hope Get Out of Your Head Vol. 2 Brian Sachetta, 2021-11-11 Many people compare depression to an abyss a never ending downward spiral of hopelessness In this heavy but empowering follow up to the best selling Get Out of Your Head A Toolkit for Living with and Overcoming Anxiety author Brian Sachetta takes that comparison literally bringing readers on an aquatic adventure through one of life's most difficult challenges On that journey Sachetta explores the biological psychological and social forces behind the affliction to help readers understand how it often manifests in their lives And most importantly he provides a beacon of hope to those stranded at sea or caught in the whirlpool of despair It's one mental health voyage you won't want to miss *The Myth Of Spiritual Death* Barry L. Nehls, 2022-11-11 Webster's dictionary defines myth as aEURA thing having only an unverifiable or imaginary existence aEUR How fitting then to refer to this widely accepted concept of spiritual death as a myth Over thirty years ago I came to a place of understanding where the concept seemed to fit the events of the Garden of Eden Admittedly I never really challenged the teaching Today most Christian believers have accepted spiritual death as the fulfillment of God's warning to Adam and Eve aEUR For in the day that thou eat thereof thou shalt surely dieaEUR Genesis 2:17 And if spiritual death is a reality then the requirements that Jesus told Nicodemus to be aEUR born again to see the kingdom of GodaEUR John 3:3 seem to fit as well Man has spiritually died and now needs to be born again of the spirit With our limited intellect we simply love to have everything figured out boxed up and placed on the shelf For the believer as you spend time in the Word of God you soon realize that much is unclear and most is left to faith Thankfully there are times when the person of the Holy Spirit speaks a nugget of truth into our spirits and a clearer revelation bursts forth Perhaps you will find nothing new in this discourse perhaps it will shake up your theology just a bit It is my prayer that the Holy Spirit will illuminate your spirit to the truth of what was really lost in the garden transgressions and what Jesus Christ requires of each of His disciples Secondly that you will discover God's

intentions for the marriage relationship And finally stir your spirit to more diligently and prayerfully study your Bible like the Bereans found in the book of Acts and aEURo research the Scriptures daily whether those things be so aEUR Acts 17 11 KJV

**AIDS Literature and Gay Identity** Monica Pearl, 2013-01-04 This book discusses the significance of late twentieth century and early twenty first century American fiction written in response to the AIDS crisis and interrogates how sexual identity is depicted and constructed textually Pearl develops Freudian psychoanalytic theory in a complex account of the ways in which grief is expressed and worked out in literature showing how key texts from the AIDS crisis by authors such as Edmund White Michael Cunningham Eve Sedgwick and also later the archives of The ACT UP Oral History Project lie both within the tradition of gay writing and a postmodernist poetics The book demonstrates how literary texts both expose and construct personal identity how they expose and produce sexual identities and how gay and queer identities were written onto the page but also constructed and consolidated by these very texts Pearl argues that the division between realist and postmodern and gay and queer respectively is determined by whether the experience expressed and accounted is mediated through the psychoanalytic categories of mourning or melancholia and is marked by a kind of coherence or chaos in the texts themselves This study presents an important development in scholarly work in gay literary studies queer theory and AIDS representation
