The Meanings of Discipleship Andrew Hayes, Stephen Cherry, 2021-10-29 Discipleship is a foundational concept of Christian life which has become a popular and ubiquitous description of belonging and growth in early 21st ecclesiastical language Discipleship courses and popular writings abound and the term is used liberally in official

church documents and strategies for growth and development particular in a western context But does recent use of the word risk reducing the wide range of meanings of discipleship to something less rich and inclusive than is warranted With contributions from an array of leading thinkers scholars and theologians including Rachel Mann Kirsteen Kim and Anthony Reddie this book argues that there is need for more clarity precision and depth in defining what meaningfully and constructively is construed as discipleship Beginning with an overview of how the concept of discipleship has been understood in history the volume goes on to consider some of the key figures who have shaped our understanding of the concept and finally to reflect on what discipleship might look like in contemporary society **DiscipleShift** Jim

Putman,Bobby Harrington,2013-04-23 Question What is the God given purpose of the local church Answer Relational discipleship DiscipleShift walks you through five key shifts that churches must make to refocus on the fundamental biblical mission of discipleship These intentional changes will attract the world and empower your church members to be salt and light in their communities Over the last thirty years many influential church leaders and church planters in America have adopted various models for reaching unchurched people While many of these approaches have merit something is still missing something even more fundamental to the mission of the church discipleship Making disciples helping people to trust and follow Jesus is the church s God given mandate Devoted disciples attract people outside the church because of the change others see in their Christ like lives And discipleship empowers Christians to be more like Christ as they intentionally develop relationships with non believers Through biblical and professional insights Jim Putman and Bobby Harrington discuss the transformational effectiveness of making disciples and just how to do so in practical terms You ll learn The specific roles of a disciple making pastor The components of person to person discipleship How each ministry in your church leads to discipleship How to implement discipleship in your church Disciple making leaders will not produce perfect churches but they will create effective churches **Ministering to Families in Crisis** Jennifer S.
