Diary of an Accidental Witch: Flying High Honor and Perdita Cargill, 2022-02-03 Bea Black is settled into her new life in Little Spellshire, a town with a magical secret. She's made tonnes of friends at witch school, learned how to levitate frogs, just about and been working hard on polishing up her broom skills. So when the Winter Solstice Grand Tournament rolls round she's ready to rise to the next challenge and fly high.

Witch It Real Good Dakota Cassidy, 2025-05-19 Stevie here and I'm happy to report we've settled into our new lives and found a modicum of peace since our last death-defying incident. Mostly My International Man of Mystery continues to lay low here in Ebenezer Falls until we can sort out his earthbound credentials, but we have a routine and as the holiday season begins we're ready to do a little celebrating. In the midst of us adjusting to life together a surprise visitor shows up knocking us both for a loop, but for two entirely different reasons. To make matters worse my good buddy Officer Rigid'er Dana Nelson has some questions and we're positive they have to do with Win's involvement in what's turned out to be a high profile case in Seattle. That means we need to get the heck out of Dodge and we need to do it fast to buy ourselves some time to figure out our next move. While we wrap our heads around our newest predicament in Maine in a beautiful little town that celebrates Christmas three hundred and sixty-five days a year called Marshmallow Hollow we run into bigger trouble than we left when someone tries to kill Win, not once but twice. And that's when Win's past comes back to haunt him, putting us all in danger. Out of the frying pan and into the fire we go.

Where There's A Witch There's A Way Dakota Cassidy, 2025-05-20 Goin' to the chapel and we're gonna get married. No silly. Not us. Team Stewin is still enjoying being engaged and a nice long winter hiatus from murder and ghost chasing. Until we open up Madam Zoltar's for the beginning of tourist season and the first customers are a bridal party from the seventh level of, you know where. When the soon-to-be ex-husband of the matron of honor is found dead at the motel where the bridal party is staying and she's accused of his murder, a murder we're convinced she didn't commit, our quiet comes to a screeching halt. Add in the matron of honors' dead twin who appears to be desperately trying to get some kind of message to us, Belfry who's behaving strangely and more poofy pink dresses than you can count and you've got yourself a mystery. A mystery we're determined to solve. The gang's all here. Join us for another romp in Witchless in Seattle. Won't you
