[Rebirth Of The Alpha Luna Queen](#) LiliBeth, 2024-08-14 Ever since she faced her own death Eden Rae has been a heartbroken shadow of the werewolf leader she once was Maybe this is why she rebirths again and again searching

for revenge Her soul can't find peace until all those who scold her torn her and in the end killed her will be punished Nothing will stop her from making pay those who stole her future her heritage her life Nothing but why with every new rebirth everything seems more intense And why every time she comes back the bond mate she neglected comes around stronger and stronger The Moon Goddess sent her back to make justice isn't she Or is something else Chapter 1 Kill Her Eden's POV Eden Don't be stupid You think dressing up like a bitch will make me accept you as my MATE A cold voice entered my mind Immediately afterwards I felt a basin of water poured over me and a coolness enveloped me but I still couldn't open my eyes I was so alienated by it all I shouldn't have felt anything because I was dead Dead in my mating ritual which was caused by my husband in conjunction with his MATE As confused as I was I could hear that it wasn't my asshole husband's voice The voice was so clear it wasn't like in a dream Did I come back to life No Impossible there has never been a case like this in the history of werewolves Then who was he Suddenly some painful and unbearable memories entered my mind Flashback Look at them Mark laughs as he grabs my chin and forces me to watch my parents heads hanging on the walls of our packhouse I am the daughter of Patrick and Isabelle Rae former alpha of Silver Moon Pack and now I am kneeling in front of my boyfriend and my bestfriend Just a moment ago they killed my parents That was so easy Hannah says coming closer to Mark and I feel sick seeing that she is placing her arms around his waist Look Markey she says kissing his earlobe She is shocked she laughs in my nose Should we tell her how stupid she was or let her continue being stupid Yeah how stupid To have trusted these demons by mistake We have been together since we were fifteen Mark tells me Hannah is my fated mate but she being a beta and I being just an omega I couldn't offer her the life she deserves he said as if that was normal But you can my dear friend You were born with so much By what right Hannah said with wide eyes I never knew she was so jealous of me But it doesn't matter she has nothing now does she Honey Markey put his arm around her to comfort her and continued to say What a pity that you are the only DAUGHTER of Alpha Rae you can't inherit Silver Moon Pack Only your mate can So that's what it was all about from the beginning to take over the pack And the whole image is now in front of my mind All his beautiful words He fooled me he and Hannah played me I am on my knees with a sword at my neck and I can't jump at him and kill him but the rage I feel in my chest is growing and growing more and more with every single word he utters Why don't you say anything Do you want to know more Marks mocks me and he signals to Damian Hannah's brother to come closer Tell her Mark commands him as if he already is the Alpha of Silver Moon Pack Tell her how we fooled her And he caresses the top of my head but only for a second because in the next one he pushes me making me fall to the ground You can't blame us for that you know It's all thanks to your own stupidity Damian says Hannah would be a better Luna than you are She would never lose her independence for the sake of a man Just look at you Eden he laughs You are a disgrace It is your fault that your parents died Their blood is on your hands

Transformation of Love Elif Güvendi Yalçın, 2022-11-03 Romances date back to the creation of stories Although the definition of the genre has changed in time from the Ancient Greeks to the

Bildungsromans to the 19th century and today's courtship novels both scholarship and widely held attitudes towards romance has remained fixedly and prioritized only the universality, unoriginality and continuity of romance fiction instead of its sociocultural effect of promoting positive ideals like female empowerment. The portrayal of women in social roles has been in a state of constant change including their relationship with and relation to men. This book explores only medieval historical romance fictions and their changes through the course of the time. I examine three medieval romances: content: Walter Scott's *Ivanhoe* 1920, Kathleen Woodiwiss's *The Wolf and the Dove* 1974 and Amanda Quick's *Mystique* 1995, written in different time periods based on content analysis using Anthony Giddens's 1992 theories of intimacy. In addition, it will address romance novels' views about sex, gender and love roles.

The Alpha Savior GValencia, After losing the love of his life and his unborn child several years ago, Alpha Maximillian had lost the joy to live. All he did was burying himself in his duty as the alpha of Azure Blood Pack. However, his life changed forever one day when he stumbled across his mate who happened to be a mere human being who became the target of his lifetime enemies, the witches from the Vichell Clan. How will this forbidden story between a powerful alpha and an innocent yet clever human unfold?

[Miles for Love Series Box Set](#) Sandra Alex, 2021-03-09

Miles for Love Series Books 1 to 5: Book One: Crossing Boundaries. Daniel and Kayla: A ruthless ex-An abandoned medical degree. And a woman who will make Daniel forget all that I'm still swooning over Daniel and Kayla's love story. I so loved their playful banter throughout the entire book, and I loved watching their story unfold. I really didn't want this book to end. Steamy sex scenes but not an overabundance. I was teary-eyed over Kayla's loss and shocked with the characters that were involved in the dramatic twist. A definite must-read. I enjoyed Sandra Alex's writing so much I purchased her Ford Brother series within minutes of finishing this book. Book Two: Crossing Oceans. Aleks and Mallorie: A shallow Latvian gymnast. An ex-military single mom. A journey that alters more than passports. Loved the next book in the series. Once again, Sandra Alex has written about love, friendship, and family. The characters are made real and believable with real-world worries and events. Loved the Latvian scenery as it also came to life after reading it on the page. Look forward to Christopher's story next. Book Three: Crossing Roads. Christopher and Ashley. He doesn't know he's tarnished. She unknowingly sees his wounds. But can you fix a broken ghost? The two of them together are unbelievable, probably because of the deep friendship that develops first. Every time I read a book in this series, I love it more than the one before. Book Four: Crossing Hearts. Tyler and Ripley. The wrong husband. The right lie. The serendipitous attack. The second chance that's always been there. A deeply driven romance read full of unexpected outcomes. I look forward to reading how Grant finds love. Book Five: Crossing Borders. Grant and Frankie. One love that isn't enough. One love that is. And the choice that could ruin a family. Great ending to a great series. Fall in love with the Lynch family today. Coming in April 2021 is a whole new rock star romance series. Included in this box set is an exclusive five-chapter sample of book one: Dress Rehearsal. Come and get it while you can.
