almost couldn't help ourselves And again he murmured in a baritone so deep it vibrated through my neck I can't get enough of you Chloe Not since the day I first saw you

in her life The Alpha's Mate      **The Alpha's Justice (Paranormal Shifter Werewolf Romance)** Michelle Fox, 2025-02-11

What's an alpha to do when he's found his fated mate but she reacts to the news by kicking him in the balls? Gretchen Halbmond became a diehard Daddy's girl the day her mother ran out on them both. She doesn't believe in love and isn't looking for it, but when her ailing father is attacked and left bloody by wolves on the wrong side of the law, she goes out in search of what she does believe in: Justice. Sheriff Talon Garde has way too much on his plate. Humans have breached shifters' carefully guarded privacy and are about to go public. If he can't stop them, what happened to Gretchen's father is going to be the least of everyone's worries. More importantly, despite Talon's rep as a badass alpha whose growl strikes fear in the hearts of criminals, Gretchen's scent makes him go all squishy inside. She's THE ONE he's sure of it. There's just the small matter of convincing Gretchen it's pointless to fight fate and surviving the way she fights it. Standalone novel with NO cliffhanger. What readers say: Had some really funny moments. Fast-paced and Talon was pure alpha. Liked the dynamics in the story; had a refreshing take on shifters. The author has a way of making her intended emotion be it love, humor, anger, etc., so real that you feel like you're right in the room. I have laughed out loud so many times that I'm getting tired of my husband asking, 'What's so funny?' Then I have to stop and give him enough story background that he'll understand. I don't know why he doesn't just read for himself. LOL. Editorial Review: 5 out of 5 Fangs from Paranormal Romance Junkies. Talon and Gretchen's book was a wonderful read. The characters are well thought out and all blend together to form a great story. I didn't read the first book in this series, but it definitely wasn't necessary to this story. Gretchen travels back to her hometown to try to figure out what has happened with her father. While there, she meets Talon and the sparks fly from there. I would recommend this book to those that like reading a paranormal shifter-type series with familiar characters but who also like books that you don't have to necessarily read in order. I will definitely be looking for future books from this author.

Excerpt of The Alpha's Justice: What was that? She pushed at Talon's shoulders, trying to get him to pay attention. Huh? What was that? He mumbled the words into her breast and then swallowed more of her nipple, his tongue going back and forth over the tip. Talon, she said, fighting not to succumb to the delicious sensations Talon had stirred in her body. Yeah, say that again, he said, his voice thick with lust. He'd given up on her belt and was now trying to cram his hand down her pants. An animal chuffed in the dark, the sound as derisive as a human snort. The hair on the back of Gretchen's neck stood up, and a shiver crept up her spine. There was no mistaking that sound. A shifter was out there watching them and thinking it was funny. Come on, Sheriff. Not knowing what else to do, Gretchen whacked Talon on the head. He winced and ducked. Ow. Why do you keep hitting me? Because when there's no blood in your brain, it stops working. I'm just giving you a little kick-start so pay attention. Please.
