The Papers of Thomas Jefferson, Volume 30 Thomas Jefferson,2018-06-05 During the thirteen months covered by this volume Thomas Jefferson spent more than half of his time in Philadelphia serving as vice president under President John Adams and presiding over a Senate that was dominated by his political opponents the Federalists Debates in Congress took place against a backdrop of bitter partisan rivalry characterized most famously by the

near brawl on the floor of the House between Matthew Lyon and Roger Griswold Congress and the nation waited in a state of extraordinary suspense for dispatches from the American envoys in France When the accounts of the XYZ Affair became public the nation prepared for war Two days after the Alien Friends Act was signed into law Jefferson left for Monticello stopping at Montpelier to convey the latest news to James Madison Disheartened and frustrated by the Alien and Sedition Acts Jefferson penned the famous resolutions adopted in November by the Kentucky legislature He kept his authorship a secret however seeking to avoid any appearance of rashness by Republicans This endeavor reflected his struggle to make sense of the political direction of the nation in times he could neither comprehend nor accept Jefferson continued to engage in scientific pursuits and fulfill his role as a promoter of American science and learning He was reelected to the presidency of the American Philosophical Society to which he presented his paper on the moldboard plow He corresponded on American Indian languages astronomy and the Anglo Saxon language He longed for Monticello and as Jefferson had learned before his property fell into neglect when he was away on public business Renovations to the house slowed supplies for the nailery were disrupted and he had to arrange for the sale of his crops through intermediaries With the prices of wheat low he was drawn back into financial dependence on tobacco

The Student's Chronological New Testament, 1904 **John Dooley's Civil War** Robert Emmett Curran, 2011-01-20 Among the finer soldier diarists of the Civil War John Edward Dooley first came to the attention of readers when an edition of his wartime journal edited by Joseph Durkin was published in 1945 That book John Dooley Confederate Soldier became a widely used resource for historians who frequently tapped Dooley's vivid accounts of Second Bull Run Antietam and Gettysburg where he was wounded during Pickett's Charge and subsequently captured As it happens the 1945 edition is actually a much truncated version of Dooley's original journal that fails to capture the full scope of his wartime experience the oscillating rhythm of life on the campaign trail in camp in Union prisons and on parole Nor does it recognize how Dooley the son of a successful Irish born Richmond businessman used his reminiscences as a testament to the Lost Cause John Dooley's Civil War gives us for the first time a comprehensive version of Dooley's war notes which editor Robert Emmett Curran has reassembled from seven different manuscripts and meticulously annotated The notes were created as diaries that recorded Dooley's service as an officer in the famed First Virginia Regiment along with his twenty months as a prisoner of war After the war they were expanded and recast years later as Dooley then studying for the Catholic priesthood reflected on the war and its aftermath As Curran points out Dooley's reworking of his writings was shaped in large part by his ethnic heritage and the connections he drew between the aspirations of the Irish and those of the white South In addition to the war notes the book includes a prewar essay that Dooley wrote in defense of secession and an extended poem he penned in 1870 on what he perceived as the evils of Reconstruction The result is a remarkable picture not only of how one articulate southerner endured the hardships of war and imprisonment but also of how he positioned his own experience within the tragic myth of valor sacrifice and crushed dreams of independence that former Confederates fashioned
