The American Pageant

Twelfth Edition

David M. Kennedy Elizabeth Cohen Thomas A. Bailey

Themes In American History

At its worst, a U.S. history survey course can seem like an uninterrupted stream of names, dates, and events from a dead past signifying little for the present or the future. At its best, the study of our past can be an engaging human drama, shedding light on the present and shaping the future. An understanding of the country's past can produce critical insights into issues of importance today and to the world in which you will function over the next 60 years or so.

Although the course is organized chronologically, try to fit the historical debates and developments you will study this year into some of these critical themes which are certain to affect you in the future.

Political

- ⇒ America's changing role in world affairs (expansionist, isolationist, interventionist, etc.)
- ⇒ America as a moral leader—do we practice what we preach?
- ⇒ The democratic experiment—how well does it work?
- ⇒ Evolution of the two-party system (changing party views; is it permanent?)
- ⇒ Role and size of government in the economy and society (Hamilton vs. Jefferson to FDR vs. Reagan)

Economic

- ⇒ Free-market capitalism (evolution; economic vitality vs. social equity; etc.)
- ⇒ Changing economic base (local agriculture to national industry to a global technology/information/service-based economy)
- ⇒ The accelerating pace of technological innovation
- ⇒ The environmental cost of economic expansion
- ⇒ Role of government in the economy (neutral force, promoter, regulator, direct participant?)

Social

- ⇒ Changing roles and perception of women
- ⇒ Race relations—primarily white and black; increasingly Hispanic and Asian
- ⇒ Immigration and growing population diversity
- ⇒ Prevailing lifestyles—rural to urban / suburban to?
- ⇒ Popular protests—the people as agents for change

Cultural

- ⇒ Changing roles and perception of the family
- ⇒ Religion in America (separation of church and state; evangelical bursts, etc.)
- ⇒ Implications of the information age
- ⇒ Movement from a local and regional to a mass consumer culture
- ⇒ Evolving trends in art, literature, and popular culture
