motivated beings living in difficult times on Earth may find themselves distracted from their true path of attaining a higher vibrational state of existence One of the strongest proponents of growth is to begin making individual choices based on self awareness and practical guidance Vital questions you can ask now include the following Who is the true you Who are you at your karmic core Who would you be without outside influences What is my true karmic purpose By asking yourself these questions you begin a process of deep spiritual development that will change what is important to you now and in your future Do not ask these questions lightly Once spoken the process begins **Secret of Regeneration** Hilton Hotema,1998

Jerusalem Yeshayahu Ben-Aharon,2019-05-29 The better I understand the roots of the Hebrew people and its universal human mission the better I shall understand the nature of humanity and its mission and the more human I become in the most universal sense anchored in a new spiritual knowledge and practice the more fulfilled active and creative I can be at the roots of my existence as a Jew and an Israeli Yeshayahu Ben Aharon Based on a remarkable series of lectures delivered in his native Israel Dr Ben Aharon presents his illuminating research on the meaning of Judaism and the spiritual mission of the Jewish people in the past present and future The Hebrew people have been a central root in the development not only of Judaism Christianity and Islam but of the universal human spirit itself Thus a new understanding of their development and contribution to the spiritual biography of humanity is essential to understanding ourselves as human beings The Jews were chosen to reveal the deepest secret of ancient times the existence of one God above all gods being the Creator of all human beings beyond race nation and gender in his divine image The great historical and spiritual figures of the Hebrew people Abraham Isaac Jacob Moses Joseph the Judges Kings and Prophets prepared humanity for individuation the true I AM through devotion to the divine foundation of the world The Lord our God is one who is to be loved with all one s heart soul and being Each person could now fulfill the Word which could be actualized on earth in the human being In Jerusalem Dr Ben Aharon describes the evolution of the Hebrew people and its role in the development of the human race The journey continues to the present day where the universal human Self has the potential to become a free participator in the ongoing creation of the universe **Secret Notes of a Guru** Samael Aun Weor,2025-01-01 This man in addition to committing the crime of healing the ill is also the author of a book entitled The Perfect Matrimony which is an outrage against public morality and the good customs of the citizens So stated the official document demanding the arrest and imprisonment of Samael Aun Weor So began his diary written from prison in which he documented his meditations and insights and the process of spiritual initiation related to his imprisonment This book is full of details about dream interpretation meditation degrees of initiation the awakening of the sacred fire and much more Most significantly he emphasized the necessity for spiritual aspirants to consume blessed food and drink at home that sacred meal known in every religion by names like communion eucharist kiddush tsog prasad etc He also provided a complete ritual for families to practice at home around their dinner table to invoke the help of the supreme savior known as Christ Avalokitesvara Quetzalcoatl etc Thus instead of

being cowed by the attempts of the dominate religions to suppress him they served to increase his efforts to help humanity resulting in this beautiful and deeply mystical book The Holy Eucharist should be practiced in the houses of all our Gnostic brothers and sisters Thus each home can become a Gnostic temple and the head of each family is a priest No more lodges no more schools no more sects no more infamies no more exploitation The temple is within ourselves and the High Priest is Christ When a group of people around a table are verifying the Holy Eucharist the ceremony reverberates in all the seven planes of cosmic consciousness and opens a channel through the seven worlds through which the sublime energies of the Solar Logos descend and thus the bread and wine become true accumulators of Christic atoms which upon reaching our stomach are diffused throughout our organism Christifying and sublimating it for the initiation Samael Aun Weor **Angels Explain Death and Prayer** Cheryl Gaer Barlow,2013-10-25 We are the angels of the Mallbon We are meant to tell those of Earth that the death of the body is never to be feared We help in ways not understood by humanity We can manifest anything we desire We can live as humans on Earth When we absorb the reality of Earth we work God s wonders in ordinary ways When the surroundings are not in focus or when you feel unable to cope with the people or circumstances around you be still and ask God for help God will respond to requests of help by mending emotions with aid from the angels This is done by being aware of the angels We surround you and bring you comfort You must as a human race lift the quality of thought to the highest level When the level of thought is low and miserable it is generated through the entire world When it is lifted to a level of joy it lifts all minds When you know the teachings of the angels no ignorance will be left in the soul You will no longer be afraid or in pain Now is the time to stand with the angels of God and help humankind Chapters Include The Soul s Path Birth on Earth The Death of the Heavens Meeting God The Joy That Awaits You Dreams Bonus Prayer Guide It is an indisputable fact that the body dies but the spirit lives on in infinity and eternity The incomprehensible theories of the death of the body are not valid The soul is you You live through eternity to grow toward God Do not think otherwise even for a second The Mallbon Angels Pathways to the Zodiac E R Winstanley,2011-07-01 Discover the true meaning and the origins of the zodiac in E R Winstanley s new book Pathways to the Zodiac Why was it formed and by whom Has the mystery about the architects of Stonehenge and other similar structures been solved Does the Sphinx still remain an enigma The deities of the ancient world made an indelible impact upon the lives of the various tribes who wandered throughout Mesopotamia and Europe Their beliefs and rituals have been handed down through the centuries from Melchizedek the Lord of the Zodiac to the Knights Templar and Freemasons to the current era We all have been linked together and follow the pathways of our ancestors through the creation of the zodiac
