Handbook of Social Justice in Loss and Grief Darcy

L. Harris,Tashel C. Bordere,2016-02-05 The Handbook of Social Justice in Loss and Grief is a scholarly work of social criticism richly grounded in personal experience evocative case studies and current multicultural and sociocultural theories and research It is also consistently practical and reflective challenging readers to think through responses to ethically complex scenarios in which social justice is undermined by radically uneven opportunity structures hierarchies of voice and privilege personal and professional power and unconscious assumptions at the very junctures when people are most vulnerable at points of serious illness confrontation with end of life decision making and in the throes of grief and bereavement Harris and Bordere give the reader an active and engaged take on the field enticing readers to interrogate their own assumptions and practices while increasing chapter after chapter their cultural literacy regarding important groups and contexts The Handbook of Social Justice in Loss and Grief deeply and uniquely addresses a hot topic in the helping professions and social sciences and does so with uncommon readability

Children of the 21st century Dex,

Shirley,Joshi, Heather,2005-10-12 This book documents the early lives of almost 19 000 children born in the UK at the start of the 21st century and their families It is the first time that analysis of data from the hugely important Millennium Cohort

Study a longitudinal study following the progress of the children and their families has been drawn together in a single volume The unrivalled data is examined here to address important policy and scientific issues The book is also the first in a series of publications that will report on the children s lives at different stages of their development The fascinating range of findings presented here is strengthened by comparison with data on earlier generations This has enabled the authors to assess the impact of a wide range of policies on the life courses of a new generation including policies on child health parenting childcare and social exclusion Babies of the new millennium title tbc is the product of an exciting collaboration from experts across a wide range of health and social science fields The result is a unique and authoritative analysis of family life and early childhood in the UK that cuts across old disciplinary boundaries It is essential reading for academics students and researchers in the health and social sciences It will also be a useful resource for policy makers and practitioners who are interested in childhood child development child poverty child health childcare and family policy

Couples' Transitions to Parenthood Charlotte Faircloth,2021-07-10 This book argues that new parents are caught in an uncomfortable crossfire between two competing discourses those around ideal relationships and those around ideal parenting The author suggests that parents are pressured to be equal partners while also being asked to parent their children intensively in ways markedly more demanding of mothers Reconciling these ideals has the potential to create resentment and disappointment Drawing on research with couples in London as they became parents the book points to the social pressures at play in raising the next generation at material physiological and cultural levels Chapters explore these levels through concrete practices birth feeding and sleeping three of the most highly moralised areas of contemporary parenting culture

Price British empire dictionary,1899 *De-Gendering Gendered Occupations* Joanne McDowell,2020-10-05 De Gendering Gendered Occupations brings together contributions from researchers on language and gender studies and workplace discourse to unpack and challenge hegemonic gendered norms encoded in what are traditionally considered female occupations The volume integrates a range of theoretical frameworks including conversation analysis pragmatics and interactional sociolinguistics to analyse data from such professions as primary education healthcare and speech and language therapy across various geographic contexts Through this lens the first part of the book examines men s linguistic practices with the second part offering a comparative analysis of male and female discourse The settings discussed here allow readers to gain insights into the ways in which cultural professional and gendered identity intersect for practitioners in these professions and in turn future implications for discourse around gendered professions more generally This book will be key reading for students and researchers in sociolinguistics discourse analysis gender studies cultural studies and professional discourse

The Top Books of the Year The Antenatal Group English Edition The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Antenatal Group English Edition : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
