### **Managing Sport**

**Events** T. Christopher Greenwell, Leigh Ann Danzey-Bussell, David J. Shonk, 2024-06-26 Running a sport event, whether it's an international competition or local youth tournament, requires acute knowledge and the ability to plan, organize, promote, lead, and communicate effectively. And no other text prepares students for the task as effectively as *Managing Sport Events*, Third Edition. With HKPropel Access. While other texts in this space stray into the area of facility management, *Managing Sport Events* keeps its focus where it should be, by providing a thorough grounding of the entire event management process. Beginning with an overview of event conception and development, the text then moves into the principal planning areas of budgeting, marketing, promotion, sponsorships, and legal and risk management. Later chapters focus on key operational areas such as staffing, event services, and logistics, and event day management, and it closes with postevent details and evaluation. The third edition includes new and updated content that incorporates plenty of contemporary real-life examples. Insights into how event management has been affected by COVID-19 and by the emergence of social media, sustainability efforts, and diversity, equity, and inclusion (DEI) initiatives. All new content addressing the role of brand ambassadors, social media influencers, and nontraditional media in promoting events and encouraging fan engagement. An updated discussion of event sponsorships and how sport organizations are implementing creative activation strategies pre-event and game-day deliverables and the latest technologies to maximize exposure and measure effectiveness. An expanded discussion of contracts and other legal considerations such as compliance with the Americans with Disabilities Act (ADA). An expanded section outlining how principles of project management can be used to effectively plan events. New industry profiles that provide insights into key players and noteworthy happenings in event management. Related online activities delivered through HKPropel provide robust learning opportunities for students. A brand new semester-long project in which students plan, prepare, produce, and evaluate a fictional pickleball tournament, as well as compile a formal event management plan handbook. Scenario-based activities in which students make a decision and then see the implications of their choice. Mini case

studies for each chapter with questions to test comprehension Sample contracts that represent common agreements encountered in event management Practicing and aspiring professionals working in parks and recreation tourism hospitality and sport organizations at all levels youth high school college amateur minor league professional and international will find this book a valuable reference in their roles as event managers Blending traditional business tenets of sport management with the distinct aspects of event management Managing Sport Events Third Edition prepares readers to manage events with efficiency and ease so that fans and participants alike have lasting game day memories Note A code for accessing HKPropel is not included with this ebook but may be purchased separately **Guide to American Educational Directories** ,2004
