ABSITE Review *The ABSITE Blueprints* Hana Ajouz, Collin Brathwaite, Robert J. Cerfolio, Hersch Leon Pachter, 2023-08-03
The idea for the book emanated from the experience of one of the editors Dr Hana Ajouz who encountered many general surgery residents who were seeking a good ABSITE review book from which to study and none was found to be truly comprehensive and up to date. There is an immense need for a comprehensive yet concise and easy to use book that has a clear structure and one that reflects new findings, methods and references that current surgical residents will find to be applicable. The intentional structure of the book is simply this: capture the most pertinent information for each specialty that is on the SCORE curriculum and frequently asked on the ABSITE exam and present it to the reader in a capsulized, simplified format of charts or tables. Hence, in addition to its study friendly structure, this review book comprehensively mirrors most contemporary general surgery curricula. It also encompasses key operative steps of wider general surgery procedures which most review books lack. Moreover, while most ABSITE review books are written by one or a few authors, each chapter in this book is reviewed/authored by someone with expertise in their specialty. This compiles the experience of many authorities into one resource helping general surgery residents stay up to date with the most recent and important concepts in the field.

Absite Review, Simplified Armin Kamyab, 2009-08
ABSITE Review Simplified provides a thorough and comprehensive review of the ABSITE. It covers all the important commonly tested topics and closely reflects content found in the most recent exams. It includes extensively researched and organized information written with the sole intention of helping you, the surgery resident, get the most out of your limited study time. As an added feature, it is selectively printed on high quality non-glossy paper for easy note taking during conferences and didactic lectures and is printed in grayscale in order to pass on the savings to you, the surgery resident. If you want to study more efficiently, be more confident and want to do your best on the ABSITE, pick up your copy today.

The Absite Review Steven Mark Fiser, 2011-04-01
The ABSITE Review Practice Questions provides a comprehensive review for the ABSITE exam. This book covers the same subject material as the ABSITE in a question-based format. It is excellent for testing your knowledge base as well as introducing new material found on the ABSITE.

The Johns Hopkins ABSITE Review Manual Susanna M. Nazarian, Robert A. Meguid, Pamela A. Lipsett, 2008-07-01
Written by Johns Hopkins University School of Medicine faculty and surgical residents, this comprehensive manual covers all aspects of the ABSITE. This innovative text is divided into two sections. The first section features a full length practice test based on actual key words from recent ABSITE exams with perforated answer sheets to simulate the real exam. The second section reviews all practice test questions and answers providing rationales behind surgical decision making. This text is also helpful for senior residents studying for the general surgery qualifying exam and for all surgical residents seeking to review key topics while on specific surgical rotations.
