made the long journey north to a remote moorland village in Yorkshire to nurse her sister After the death of Maria Elizabeth assumed the role of second mother to her nephew and five nieces She would never see Cornwall again but instead dedicated her life to her new family the Bronts of Haworth to whom she was known as Aunt Branwell In this first ever biography of Elizabeth Branwell we see at last the huge impact she had on Charlotte Emily and Anne Bront as well as on her nephew Branwell Bront who spiralled out of control away from her calming influence It was a legacy in Aunt Branwell's will that led directly to the Bront books we love today but her influence on their lives and characters was equally important As opposed to the stern aunt portrayed by Mrs Gaskell in her biography of Charlotte Bront we find a kind hearted woman who sacrificed everything for the children she came to love This revealing book also looks at the Branwell family and how their misfortunes mirrored that of the Bronts and we find out what happened to the Bront cousin who emigrated to America and in doing so uncover the closest living relatives to the Bront sisters today
