

Mr. Average

Mrs. Average

These images show the faces of average white Americans. They are a morphed composite, or average, of a great many faces of real people, many of whom are not individually attractive. In the averaging, the beauty of the underlying racial subtype emerges.

The Average American Male:

The Average American Male Chad Kultgen, 2009-10-13 I can't figure out if this book is a heart felt dispatch from the front line in the battle of the sexes or a brilliant send up of the way in which the male point of view has been misrepresented by militant feminists I suspect it may be both Toby Young New York Times bestselling author of *How to Lose Friends and Alienate People* An offensive in your face brutally honest and completely hilarious look at male inner life and sexual fantasy In the course of this hilariously honest book our narrator suffers through a relationship with his wannabe actress girlfriend until he finds the perfect girl But when he moves into the new relationship he slowly realizes he thinks that all women are pretty much the same that his true desires will never be fulfilled and the decision between living life alone or biting the marriage bullet must be made

The Average American Marriage Chad Kultgen, 2013-02-12 *The Average American Marriage* the long awaited sequel to *The Average American Male* Chad Kultgen's much debated always controversial *The Average American Male* is a matter of fact foray into the male mind and sexual fantasy Now married with children Kultgen's lewd and sex obsessed narrator once again offers up his deep and not so deep thoughts on love marriage kids and naturally sex from birthday sex to interns to parenting *The Average American Male* looks upon the institution of marriage with the same deadpan smirk he has brought to the rest of his sex addled perennially disaffected life

Fracture Philipp Blom, 2015-04-14 When the Great War ended in 1918 the West was broken Religious faith patriotism and the belief in human progress had all been called into question by the mass carnage experienced by both sides Shell shocked and traumatized the West faced a world it no longer recognized the old order had collapsed replaced by an age of machines The world hurtled forward on gears and crankshafts and terrifying new ideologies arose from the wreckage of past belief In *Fracture* critically acclaimed historian Philipp Blom argues that in the aftermath of World War I citizens of the West directed their energies inwards launching into hedonistic aesthetic and intellectual adventures of self discovery It was a period of both bitter disillusionment and visionary progress From Surrealism to Oswald Spengler's *The Decline of the West* from Fritz Lang's *Metropolis* to theoretical physics and from Art Deco to Jazz and the Charleston dance artists scientists and philosophers grappled with the question of how to live and what to believe in a broken age Morbid symptoms emerged simultaneously from the decay of World War I progress and innovation were everywhere met with increasing racism and xenophobia America closed its borders to European refugees and turned away from the desperate poverty caused by the Great Depression On both sides of the Atlantic disenchanted voters flocked to Communism and fascism forming political parties based on violence and revenge that

presaged the horror of a new World War Vividly recreating this era of unparalleled ambition artistry and innovation Blom captures the seismic shifts that defined the interwar period and continue to shape our world today **Defrauding**
