The Bad Liars Club English Edition:

A Study Guide for Mary Karr's "The Liar's Club" Gale, Cengage Learning, 2016 State of Minds Don

Graham, 2011-02-01 John Steinbeck once famously wrote that Texas is a state of mind. For those who know it well, however, the Lone Star State is more than one mind, set more than a collection of clichés, more than a static stereotype. There are minds in Texas. Don Graham asserts, and some of the most important are the writers and filmmakers whose words and images have helped define the state to the nation, the world, and the people of Texas themselves. For many years, Graham has been critiquing Texas writers and films in the pages of *Texas Monthly* and other publications. In *State of Minds*, he brings together and updates essays he published between 1999 and 2009 to paint a unique critical picture of Texas culture. In a strong, personal voice, wry, humorous, and ironic, Graham offers his take on Texas literary giants ranging from J. Frank Dobie to Larry McMurtry and Cormac McCarthy, and on films such as *The Alamo*, *The Last Picture Show*, and *Brokeback Mountain*. He locates the works he discusses in relation to time and place, showing how they sprang or not from the soil of Texas and thereby helped to define Texas culture for generations of readers and viewers, including his own younger self growing up on a farm in Collin County. Never shying from controversy and never dull, Graham's essays in *State of Minds* demolish the notion that Texas culture is an oxymoron.

Ivory Hunter Frank Stone, 2005-11 Rod Parker is an adventurous young man who finds himself bored with his tedious job at a Pennsylvania steel mill. Then one day in the summer of 1900 he quits his job, leaves his long-time girlfriend Elizabeth Durham, and strikes out on his own to seek his fortune in the hunting fields of Africa. In Africa, he lives out his childhood dream of making a living in the wilderness, where he soon discovers that learning this trade the hard way can be an extremely dangerous pursuit, but he is a fast learner and of adventurous heart, and he soon comes to realize his dream of wealth and earning a living with a rifle. In time, he discovers that money cannot bring happiness and contentment as he lives a life of heartbreak and tragedy. Despite the loss of his wife and his best friend, he trudges onward in his restless pursuit of money and adventure. Then, after fourteen years of hard work and heartache, he finally discovers that true happiness lies in his relationship with others and not in the tremendous wealth that he has acquired. *Ivory Hunter* is a fast-paced action-adventure tale of courage and loyalty set during the golden age of the ivory trade. Be with Rod and his faithful tracker on the trail of big bull tuskers and feel the tension as he levels his big-bore express rifle on the dangerous beast bearing down on him.
