

# *Thank You*

---

*Dear Samira Hadid,*

*A letter is a message written for a variety of purposes, from friendly to formal. They can help maintain bonds between friends, especially if they're far apart. Letters are also used by professionals to communicate their concerns. In some schools, kids are encouraged to write letters to Santa for Christmas. There are also letters given by school administrators to the students' parents or guardians.*

*If you're thinking of writing a letter yourself, make your intentions clear from the start. You can be fun and creative or straightforward, depending on your needs. Most letters are divided into sections, including the date, recipient's name, and salutations. As for the main content of your letter, there are often three main parts: the introduction, paragraph, and conclusion.*

*Sincerely,*

*Estelle*
