RE: Our job interview on 02/23/2022

Dear Ms. Lee,

Thank you very much for taking the time to meet me today to talk about the Lead UX/UI researcher role at Barnaby Soaps. I enjoyed learning more about the company's culture and values, as well as meeting some of the Product team members. Our meeting today made me especially glad that I applied for this position.

As discussed in the interview, I truly believe my 5+ years of experience working at SustainWood Industries prepared me to thrive as Barnaby Soaps's newest Lead UX/UI researcher. My time invested into prototype testing and user feature analysis seems immediately applicable to the role, and I'm confident that my leadership experience will be an asset to the company as well.

I also appreciate that Barnaby Soaps takes extra steps in creating 100% vegan, cruelty-free soaps while educating its users on the importance of healthy living and keeping our Earth clean. As someone who cares immensely about the environment and sustainability, I'm so thrilled that we got to speak together today — and that you shared so many insights with me about your views on the future of the company and how I might fit in if hired.

Again, thank you for your time, and I look forward to hearing from you regarding the next steps in the hiring process.

Sincerely,

Clayton Delvey
