That Little Hardback English Edition:

Hitler as Political Artist Peter G. Clark, 2022-10-06 What Hitler was able to do to a crowd in 2 1 2 hours will never be repeated in 10 000 years Ernst Hanfstaengl Hitler's early confident Hitler was one of the first great rock stars He was no politician he was a great media artist How he worked his audience The world will never see anything like that again He made an entire country a stage show David Bowie British rock legend As a young man in Vienna Adolf Hitler was sleeping on park benches in 1909 just a real Nowhere Man making all his Nowhere Plans and who would soon haunt homeless shelters while trying to hawk his unimaginative and banal paintings Yet in 1933 this mommy s boy and self centered dilettante was appointed Chancellor of Germany after discovering his artistic political calling as a charismatic orator and stage actor in the 1920s and then dazzled Germans and foreigners alike with the color and pageantry of the Nuremberg rallies and other grand spectacles in the 1930s As a virtuoso in the art of presenting dramatic performances Hitler inspired the same type of emotional ecstasy that the Beatles the Rolling Stones and Elvis Presley aroused from their frenzied fans Even after clearly revealing the monstrous side of his murderous character in World War II by exterminating Jews and Slavs by the millions before committing suicide on April 30 1945 he still emerged from the ashes and rubble of the Third Reich to seduce later generations To the present generation he has morphed from a murderous villain into a comical figure on many Internet platforms particularly the hundreds of humorous YouTube parodies of his fanatical ranting and raving This book examines Hitler's extraordinary political artistic talents to explain his nearly unfathomable rise from a homeless nobody into the most influential and demonic creature on the vast stage of modern history An Introduction to Theories of Personality Robert Ewen B,2003-04-02 First published in 2009 Routledge is an imprint of Taylor Francis an informa company **Introduction to Theories of Personality** Robert B.
