The Aargh To Zzzz Of Parenting An Alternative Guide:

The Aargh to Zzzz of Parenting Joanna Simmons, Jay Curtis, 2011-02-15 This brilliantly alternative A Z of parenting is essential reading for all mums and dads who really love their kids but A is for Anxiety Alcohol and awful Activities B is for Bedtime Baking and Boredom C is for Childcare and Cooking With Your Coat on The Aargh to Zzzz of Parenting puts two fingers up to the idea that motherhood is the most rewarding experience a woman can have Taking a laugh out loud look at life with young children it taps into the very normal but hard to admit frustrations that many parents feel

The Parent Survival Guide Theresa Kellam, 2011-02-14 When parents turn to the parenting self help section of their local bookstore they are looking for both practical guidance and a childrearing philosophy that resonates with them an approach they can relate to and be comfortable implementing in their own household In The Parent Survival Guide From Chaos to Harmony in Ten Weeks or Less Theresa Kellam presents a way to strengthen the relationship with the child that simultaneously promotes the parent s own emotional healing and wellness Grounded in a research supported therapeutic technique that uses structured play time as the catalyst for interpersonal connection and growth Kellam s model is subtle in its simplicity Through a series of guided exercises Kellam gives parents the skills they need to begin to set aside special playtimes with their children during which the most important part of the process is simply being there in a way that promotes healing growth and communication The beauty of this approach is that in only 30 minutes once a week the results can be seen in only a few weeks Features of the book include Parent Survival Tip at the start of each chapter Original cartoon illustrations bring text to life Short but insightful workseet questions bring focus to the program The Parent Survival Guide is structured over a series of 10 chapters which can be read in conjunction with the 10 sessions of the CPRT workshops for those parents enrolled in a formal filial training program But the material in the book is designed to be read and implemented by anyone The author is not only a licensed psychologist and filial therapist but she has also gone through the program with her own son and continues to rely on its principles within her family
