The Adventures Of A Real Life Cable Guy:

The Adventures of a Real-Life Cable Guy Dan Armstrong, 2015-02-05 Growing up author Dan Armstrong dreamed of becoming an FBI agent or a police officer He hadn't considered working as a cable guy He didn't know it was a profession But when he was twenty years old Armstrong began working for his local cable television company and hasn't looked back In *The Adventures of a Real Life Cable Guy* Armstrong recounts his experiences with dozens of characters stories gathered during his thirty year career from the hilarious and the horrifying to the happy and the heartbreaking He's serviced a million dollar mansion and a five hundred dollar trailer on the same day He's been in homes where the cats outnumbered the humans He's saved a man's life And he was the last to see someone alive Praise for *The Adventures of a Real Life Cable Guy* It's always fun to read the insights into other worlds where we will never travel Reading *The Adventures of a Real Life Cable Guy* is a great collection of humorous and fun stories Ron White Two Time USA Memory Champion [Things To Do At Disney California Adventure 2014](#) John Glass, 2014-02-20 Fully updated for 2014 with all new attractions restaurants shops menus prices secrets tips and more Now easier to navigate than ever with redesigned layout and new Quick Guides New Fun Facts add interesting trivia about attractions restaurants and shops This is not just a travel guide it's an ADVENTURE GUIDE that goes far beyond what other travel books offer Written for both first time visitors and experienced travelers this book has something for everyone Detailed information on every attraction restaurant and shop in the park Secrets tips and inside information about every aspect of your visit Maps to attractions restaurants shops parking and more Planning help and itineraries Complete transportation guides for getting to and around the Disneyland Resort Money saving tips for dining snacking buying tickets and arranging travel Restaurant souvenir and gift recommendations Full dining menus and special guides to vegetarian foods healthy eating specialty coffees desserts and more Seasonal activities and special events Specialty guides to pin trading Vinylmation coin press machines picnic spots meeting characters photo opportunities and more A complete guide to all of the stories that drive the attractions restaurants and shops in the park Helpful appendixes cross reference all of the films books and music featured in the park so you can discover which locations feature your favorite Disney characters **Cable Guys** Amanda D. Lotz, 2014-03-31 The emergence of male centered serials such as *The Shield* *Rescue Me* and *Sons Of Anarchy* and the challenges these characters face in negotiating modern masculinities From the meth dealing but devoted family man Walter White of AMC's *Breaking Bad* to the part time basketball coach part time gigolo Ray Drecker of HBO's *Hung* depictions of male characters perplexed by societal expectations of men and anxious about changing American masculinity have become standard across the television landscape Engaging with a wide variety of shows including *The League* *Dexter* and *Nip Tuck* among many others Amanda D Lotz identifies the gradual incorporation of second wave feminism into prevailing gender norms as the catalyst for the contested masculinities on display in contemporary cable dramas Examining the emergence of male centered serials such as *The Shield* *Rescue Me* and *Sons of Anarchy* and the

challenges these characters face in negotiating modern masculinities Lotz analyzes how these shows combine feminist approaches to fatherhood and marriage with more traditional constructions of masculine identity that emphasize men's role as providers She explores the dynamics of close male friendships both in groups as in *Entourage* and *Men of a Certain Age* wherein characters test the boundaries between the homosocial and homosexual in their relationships with each other and in the dyadic intimacy depicted in *Boston Legal* and *Scrubs* *Cable Guys* provides a much needed look into the under considered subject of how constructions of masculinity continue to evolve on television
