The American Republic:

The Creation of the American Republic, 1776-1787 Gordon S. Wood, 1998 Creation of the American Republic 1776 1787

The Growth of the American Republic Samuel Eliot Morison, 1962 Over fifty years after its original publication this classic work in American history is in its seventh edition In a clear vigorous style its celebrated authors present the rich and complex narrative of America s experience in an account that extends from the pre Columbian age to 1877 in Volume I and in Volume II from 1877 to the present Expertly revised to bring the study fully up to date it reflects new insights derived from significant modern research Publisher description

The World of the Revolutionary American Republic Andrew Shankman, 2014-04-16 In its early years the American Republic was far from stable Conflict and violence including major land wars were defining features of the period from the Revolution to the outbreak of the Civil War as struggles over who would control land and labor were waged across the North American continent The World of the Revolutionary American Republic brings together original essays from an array of scholars to illuminate the issues that made this era so contested Drawing on the latest research the essays examine the conflicts that occurred both within the Republic and between the different peoples inhabiting the continent Covering issues including slavery westward expansion the impact of Revolutionary ideals and the economy this collection provides a diverse range of insights into the turbulent era in which the United States emerged as a nation With contributions from leading scholars in the field both American and international The World of the Revolutionary American Republic is an important resource for any scholar of early America

The American Republic: Its Constitution, Tendencies, and Destiny A. O. Brownson, Aeterna Press, 2015-07-31 In the volume which with much diffidence is here offered to the public I have given as far as I have considered it worth giving my whole thought in a connected form on the nature necessity extent authority origin ground and constitution of government and the unity nationality constitution tendencies and destiny of the American Republic Many of the points treated have been from time to time discussed or touched upon and many of the views have been presented in my previous writings but this work is newly and independently written from beginning to end and is as complete on the topics treated as I have been able to make it Aeterna Press

Wallis,2018-02-25 Excerpt from American Republic A Dramatization of the History of the United States The purpose is to present in dramatic form the great events of our history in a manner that will in calcate in the minds of the American youth the true principles of Democracy and to arouse them to a con scious fact that they are citizens under the best system of government on earth that the American Republic has a standard government that is the best not only for America but that it is the only form of government that has ever worked successfully or that ever will work as well for all civilized peoples of what ever conditions or numbers from a few thousands to many millions This dramatization also shows the development of our country thru its Oratory Statesmanship Music Poetry and Dramatic Art whether in the Cabinet in Congress in the Forum in the Pulpit in the Studio or on the Platform on the Stage or on the Screen About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The American Republic A. O. Brownson,2021-10-08 The American Republic Its Constitution Tendencies and Destiny is many of the old classic books which have been considered important throughout the human history They are now extremely scarce and very expensive antique So that this work is never forgotten we republish these books in high quality using the original text and artwork so that they can be preserved for the present and future generations This whole book has been reformatted

retyped and designed These books are not made of scanned copies of their original work and hence the text is clear and readable *The American Republic; Its Constitution, Tendencies, and Destiny* Orestes Augustus Brownson, 2022-11-11

Reproduction of the original **The Founding of the American Republic** H. Lee Cheek, Sean R. Busick, 2012-12-27 The Founding of the American Republic aims to provide a fair and thorough reappraisal of the Founding of the American Republic Oftentimes the Founders are when not forgotten made to fit some ideological box liberals or conservatives villains or saints This book proves that such views need to be reconsidered free from past ideologies and interpretations to recover their teaching and foster a better understanding of contemporary politics To do so the authors let the Founders speak for themselves by looking first at the Declaration of Independence which reveals their vision of state and federal authority Next they examine how the Declaration was incorporated into the Articles of Confederation in effect the first Constitution and finally the Constitution of 1787 the most profound manifestation of the Founders view of the nature of American politics and society The Founding of the American Republic takes a broad view of the Founding while resisting an ideologically charged reading of history A lively historically accurate analysis for anyone interested in American political history and culture
