Khirbet Qumran and Ain-Feshkha III A (in English translation) Jean-Baptiste Humbert,2023-11-13 For 60 years

Qumran research has been focused on epigraphy exegesis and the historical sources of the Dead Sea Scrolls The manuscripts are now published and accessible and research is turning in a positive way to the archaeology of the site and its context The time has come to provide researchers with a complete documentation The excavator Roland de Vaux had given preliminary reports and a valuable interpretation made in the immediate aftermath of the excavations Since considerable progress has been made in the archeology of Hellenistic and Roman Palestine however Qumran has to be reassessed and the interpretation objectively verified Volume IIIA presents an up to date archaeological reconsideration a shorter and more precise chronology in which the earthquake of 31 BC is deleted the concept of an Essene community is challenged owing to the lack of a suitable infrastructure the cemetery itself is connected with a Jewish diaspora scattered around the Dead Sea Other facilities strengthen the Jewish character of the site however The function of Qumran fits better with the rites of a pilgrimage on the occasion of the festivals of Passover and Pentecost In the second part the peripheral Essene facilities expanded around an earlier Hellenistic center are analyzed and described The essay seeks to outline their internal consistency and to determine their function The restoration of a stratigraphy by cross checking the excavation archives leads to a redistribution of pottery in four levels in a more precise chronology The reconsideration makes use of anthropology which opens up the archaeological field and throws additional light on the manuscripts

beat down on the elementary school as the students participated in their physical education class I plugged in my earphones and watched the kids running and playing on the playground It was a heartwarming sight seeing the children in their colorful T shirts and clothes and enjoying the warm weather I couldn't remember the last time I had been so carefree I felt a twinge of envy Suddenly the shrilling sound of a whistle pierced the air My attention was drawn to the gym teacher who was standing at the front of the class leading the children in their activities Even though I tried to avoid it I couldn't help but notice the teacher I don't know if it's a coincidence but every time I passed by the playground at this time I would see the children and the teacher I quickened my pace eager to get home Sister I heard my name being called out over the music playing in my earphones At first I thought it was someone else but then I saw my younger brother SeoJun waving at me frantically I was a bit embarrassed And there he was with a red face and an awkward smile peaking through the fence I knew I shouldn't be interrupting the class but I couldn't resist the urge to go over and pat his head gently Your sister is busy I have to go quickly SeoJun you shouldn't interrupt the class Go listen to your teacher okay Yes Did mom go Yes and now I'm on my way home I have to go now SeoJun Behave and listen to your teacher SeoJun nodded earnestly and went back to class But he didn't forget to give me one last wave before I turned to leave I couldn't help feeling embarrassed as I gave a quick bow to the gym teacher and hurried off Ugh That was so embarrassing As soon as I arrived home I rushed to tidy up the house I quickly folded the laundry that I had left out to dry and put it away not forgetting to grab the clothes that had been haphazardly thrown aside Even as I went about my chores I couldn't stop thinking about how embarrassed I had been earlier No matter how much I tried to push it out of my mind I couldn't shake the image of myself in my knee length workout suit and slippers I took a quick look around the now organized house and grabbed a glass of water As I glanced at the clock I saw that it was already noon There was no time to waste I grabbed my TOEIC book covered in notes and highlights and began reviewing the questions I had gotten wrong As I worked a sigh escaped from my lips
