He put his home town and the surrounding vicinity under a microscope to produce an account of The Anthracite Region that rivals Edith Wharton's descriptions of New York and Sinclair Lewis's anatomy of Sauk Centre. With the discerning eye of a local resident, O'Hara recreated this coal-rich region and its people so well that his novelettes, novellas, novels, plays, and short stories give a true record of his Pennsylvania Protectorate in the latter part of the nineteenth century and the first half of the twentieth century. In order to reveal the ethnographical, geographical, and historical authenticity of the O'Hara Canon, this book examines his writings in the context of Pottsville and the borough of Tamaqua, as well as the nearby towns and villages. The author also investigates both O'Hara's genteel upbringing and his gangster stratum. The book explores the many dimensions of O'Hara's life from the time of his birth until his escape to New York City in 1928. New sources such as unpublished letters and interviews with O'Hara's family, friends, and enemies provide important insights into O'Hara as well as into Pottsville and the surrounding region.
