T. Mistlberger,2019-09-27 The early 21st century is a complex time presenting unique challenges for men This book examines many of those challenges from dysfunctional relationships and confusion about what it means to be male in the postmodern world to understanding the dark side of the masculine psyche as well as how to apply the best qualities of warrior consciousness to experience overall success and fulfilment in life *Maxine Hong Kingston's Broken Book of Life* Maureen Sabine,2004-02-29 The numerous studies of Maxine Hong Kingston s touchstone work *The Woman Warrior* fail to take into account the stories in *China Men* which were largely written together with those in *The Woman Warrior* but later published separately Although Hong Kingston s decision to separate the male and female narratives enabled readers to see the strength of the resulting feminist point of view in *The Woman Warrior* the author has steadily maintained that to understand the book fully it was necessary to read its male companion text Maureen Sabine s ambitious study of *The Woman Warrior* and *China Men* aims to bring these divided texts back together with a close reading that looks for the textual traces of the father in *The Woman Warrior* and shows how the daughter narrator tracks down his history in *China Men* She considers theories of intertextuality that open up the possibility of a dynamic interplay between the two books and suggests that the Hong family women and men may be struggling for dialogue with each other even when they appear textually silent or apart **Two Way Teaching and Learning** Nola Purdie,Gina Milgate,Hannah Rachel Bell,2012-01-01 Within the Education Revolution lies another quieter revolution that attempts to raise the profile and status and improve the learning outcomes of Australia s Aboriginal and Torres Strait Islander peoples children young adults women and men *Two Way Teaching and Learning* addresses the interface where two cultures meet in the classroom the school and the community Most of the contributors to
