The Kundalini Book of Living and Dying Ravindra Kumar,Jytte Larsen,2004-07-01 There is a spiritual energy dormant below the base of the spine In the East it is called the Kundalini but by whatever name it is called it is the common denominator in all major religions People with awakened Kundalini experience death even before dying through visions and out of body spiritual experiences These people are known as the twice born The Kundalini Book of Living and Dying shows how to awaken Kundalini and experience the power of spiritual rebirth A twice born person simultaneously enjoys the best of this world and the next through an inner journey that conquers fear of death That inner journey travels the world of meditation and unconscious dreams as well as actual near death experience This book describes the seven divisions of the universe and details of the astral plane the properties of the soul experiences and anecdotes of people showing the power of the awakened soul scientific evidence of the soul s existence as well as various methods of achieving higher consciousness through Kundalini awakening As one practices the techniques and exercises that

awaken Kundalini one becomes twice born the chain of repeated births is broken and one may enter the Kingdom of God The Kundalini Book of Living and Dying offers a spiritual practice that is the most direct path to self realization More than enlightenment the awakened Kundalini is the triumph of eternal life over the fear of death *Secrets of Kundalini*

Awakening Ravindra Kumar,Jytte Larsen,2003-01 The universe has seven divisions and the human consciousness has seven levels which correspond to seven chakras in the human body Accordingly an aspirant of self realisation passes through the seven levels of existence physical astral mental intuitional atomic or spiritual monadic and nirvanic or divine The first level of realisation is that the aspirant is a dimensionless point of awareness called the atman soul or spirit The soul is eternal and has infinite potentialities This book provides a possible proof of the above statements based on the findings of various faiths and organisations coupled with the personal experiences of the author after he witnessed the awakening of his Kundalini It also presents various methods prevalent in the world today for opening the gateways to a higher consciousness Last but the most important chapter of this book deals with the secrets of Kundalini awakening A balanced and scientific combination of various yogic disciplines called the Integral Path is presented in all its details so that an average aspirant can practise it without the help of a guru It is proposed to be the shortest path to God and the results can be achieved in a single lifetime if everything goes well **Kundalini** Jerry Wilson,Lauren Lingard,2021-12-05 With all yoga practices a student can take their understanding and then the practice itself as deeply as they wish and feel comfortable doing but of all the different schools of yoga Kundalini yoga makes no secret of its goal the awakening of Kundalini energy and so it is described as the most spiritual of all the different types of yoga Inside you will learn yoga postures asanas that encourage the awakening of Kundalini but you will also learn chanting and meditation and mudras hand gestures and even clever ways of locking energy into various parts of the body bandhas to achieve the ultimate goal of raising the Kundalini energy **Path of Fire and Light** Swami Rama,1986 Practical information on the advanced practices of yoga presented in straightforward language *Kundalini Awakening* Alexander White,2016-09-30 The Kundalini energy force that naturally resides in all of us is a sleeping giant of our potential meant to be cultivated to rise up from our roots to crown a golden canopy atop our heads To live at our best feeling satisfied and whole at all times by awakening the Kundalini takes a structured approach These techniques invite us to bring a deeper sense of awareness into the goings on of the physical body the mind or mental body and on through the threshold of the subtle body For some including myself even just using these three techniques proves the destination is where you choose to get off though the path goes as far as you choose to take it Download your copy NOW Click the buy button Tags Kundalini yoga kundalini awakening kundalini rising kundalini tantra kundalini for beginners guide spiritual
