The Babylon Code Is America In Prophecy:

The Babylon Code Richard N. Rhoades, 2014-10-29 At a reception in the Kremlin on November 17 1956 Nikita Khrushchev made a startling comment aimed at America Whether you like it or not history is on our side We will bury you The break up of the USSR in 1991 was hailed by the West especially America as a victory over communism and its global threat of tyranny Throughout the world the cry was heard Communist rule is over The evil empire is gone But was it In The Babylon Code Is AMERICA in Prophecy author Richard N Rhoades examines the writings of Russian dissidents and high ranking communist military leaders to explain the real reason behind Khrushchev's angry outburst and to illustrate why Russia is more dangerous today than ever before His research reveals a long range KGB strategic plan for global domination known among some of the highest ranking Communist military defectors to the West Rhoades also explores the real reason Russia is now flexing its muscles to the United States and the world and what the ancient Hebrew prophets said about a great latter nation in the Bible code named Babylon whose real identity is mentioned in the Hebrew Scriptures not once but twice as AMERIKA AMERICA The Babylon Code offers a well researched in depth look at the causes of these threats and actions viewing Russia America and its Jewish inhabitants with a new perspective *How to Unlock the Secret Codes in Bible Prophecy* Truong Tien Dat, 2004-03 [Deciphering End-time Prophetic Codes](#) Perry Stone, 2015 Cyclical and historical biblical patterns reveal America's past present and future events including warnings and patterns to leaders **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today's Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

[Faith of the Ages](#) Richard Rhoades, 2012-11 For centuries most Christians have believed that Jesus was a fair skinned blue eyed Gentile and that because the New Testament was written in Greek the study of its Greek roots should take priority over the study of the Hebrew Scriptures In recent decades those conceptions have begun to change Jewish and Christian

scholars have engaged together in examining the Jewishness of Jesus the Hebrew origins of Christianity and the Hebraic origins of Scripture with renewed interest In Faith of the Ages author Richard Rhoades explores the Jewishness of Jesus the first century community of believers and when where how and why early Christian leaders rejected those Hebraic origins Faith of the Ages investigates the origins of the Christian Church and looks at the anti Semitism of the Greek and Latin Church fathers the Roman Emperor Constantine Roman Catholic Church authorities and leaders of the Reformation who all played a major role in moving Christianity away from its Hebraic roots Rhoades also examines passages of Scripture that Catholic and Protestant translators have changed by adding to and subtracting from certain words found in the ancient Greek manuscripts Simply stated Faith of the Ages answers questions about the Jewishness of Jesus the first century community of believers the Hebraic roots of the Christian faith and its rich Hebrew heritage and provides a compelling historical and biblical impetus for believers to reexamine their Christian faith **The Matthew 22 Generation** Cris

Ortiz,2023-07-27 No other biblical text captures the imagination quite like the book of Revelation Full of imagery prophecy epic events and promises the Revelation of Jesus Christ acts as both a warning and a source of great comfort In The Matthew 22 Generation An Inclusive End Times Message for Marginalized People Cris Ortiz brings a word of hope especially to the eunuch nation the LGBT sexual minority community that has often found itself a scapegoat for judgment by voices inside the Church In this thought provoking book Mr Ortiz proposes a different role for the eunuch nation as part of the Bride of Christ Mr Ortiz explores scriptural prophecies on an unbiased level The depth of his narrative is matched by its breadth as he explores Last Days topics ranging from the Tribulation the Rapture and the Millennium to the Beasts the Second Coming of Jesus and the final battle Readers will explore prophecy the role of Israel and the events leading to the final days of this age Ultimately readers are faced with a choice believe and serve God or fall prey to the deceit of Satan A must read for those seeking to know more about the days ahead the book is an urgent reminder to show God s love to everyone in these last days

Trumpocalypse Paul McGuire,Troy Anderson,2018-01-02 From the authors of the international bestseller The Babylon Code comes an explosive expos of the chilling truth about the fierce opposition to the Trump presidency and why the globalist elite and Deep State will stop at nothing assassination military coup staged economic collapse or worse to overthrow him Trumpocalypse It s the media coined meme inciting panic and fear that America has elected an unstable man who will barge into delicate international affairs like a bull in a china shop and incite nations bent on America s destruction to trigger World War III an unprecedented nuclear apocalypse ending the world as we know it But is the media telling us the truth No say internationally recognized prophecy expert and Fox News and History Channel commentator Paul McGuire and Pulitzer Prize nominated investigative journalist Troy Anderson America s most insidious enemies are not hostile nations they are elite globalists the Establishment that is making the 1 percent even richer while working and middle class people watch their incomes and net worth s flatline or plummet The authors fearlessly expose the globalist elite s secret plan for humanity

Introduction to New and Alternative Religions in America William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as

Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more *History and Mystery: The Complete Eschatological Encyclopedia of Prophecy, Apocalypticism, Mythos, and Worldwide Dynamic Theology Vol 3* Bernie L. The Rapture Code Craig S. Luchin, 2010-03-03 Can there only be one Rapture The Rapture Code Part One of an Eight Book Coded Series This is the first book of an Eight Book Coded Series concerning Christian living I've been a Christian for 34 yrs and for over 30 of those years I have tried to augment the Rapture of the Church with additional biblical evidence I started out all those years ago to accomplish this one task Well God has greatly blessed me in that I found not one code concerning the Rapture but a coded series of eight codes total Thus each one relating to the Christians walking out their salvation in one aspect or another Doctrinally this first book pertains to the Rapture of the Church in a Pre Millennial position that promotes as true The Seven year Tribulation the Millennial Reign of Jesus Christ here on earth the little season of Satan and then the New Heavens and Earth What I have uncovered is a deeper answer that gives good reasons for all three rapture positions which are Pre Mid and Post Tribulation being three different raptures all taking place during this 7 year time period Thus there being three separate raptures instead of just one I see there are three raptures of three different groups of peoples in the Tribulation Period Instead of the one group of the one Rapture of the Church in only one of the three rapture positions offered us Namely the rapture positions of Pre or Mid or Post Tribulation Thus again I see three different raptures taking place as follows Rapture of the Church Rapture of the Two Witnessess Rapture of the Elect of

Israel Pre Tribulation Mid Tribulation Post Tribulation Israel is always the key to proper biblical prophecy Without Israel in existence today as a nation there would be no final End Times Israel and the Church are separate in the Scriptures and so it only makes sense especially after seeing the evidence that I have accumulated in this book that Israel would have it s OWN rapture Further Christians are making the same error of judgment pertaining to Christ s Rapture of the Church seeing only one rapture that Israel made concerning Christ s First Coming Israel perceived wrongly that there was only one Coming of Christ which they were sorely mistaken and we now know that there are two Comings of the LORD one 2 000 yrs ago and one in the near future But Christians are making the same error in thinking that there is only one rapture of one major group of people The Rapture of the Church When in fact there are two raptures of two major groups of peoples as noted above Note The Two Witnesses are not a group though I feel with some Scriptural evidence that the 144 000 may go up with the Witnesses In which the Left Behind notion will be proved wrong Also I have found a word pattern order exclusive to the KJB that shows forth this order in many OT verses as well as the NT I have found the threefold pattern of these three raptures in the Breastplate of the High Priest in the Seven Feasts of Israel in the books of Daniel and Revelation in the books of Matthew Mark and Luke and in many other places In addition these truths will strengthen the Eternal Security of any Believer Finally I have discovered many new study aids for advance studies that only appear in the KJB which will strengthen the Christian for the ongoing battle for the Bible The King James Bible in which these study aids can and will be demonstrated throughout this Eight Book Coded Series by which these eight codes are based in Acts 3 The codes are there in this chapter four times in a four times over repeating order perfectly This co
