Anti-Poverty Policies in Ghana Rosina K. Foli,2023-03-09 This book examines the roles played by transnational actors to influence poverty reduction policies in Ghana Whereas previous studies on anti poverty policies have primarily focused on the carrot and stick approach deployed by transnational actors whereby developmental assistance is granted in return of certain conditions being met this book demonstrates that there are several alternative strategies Indeed rather than adopting hard means of shaping policy many transnational actors in fact use a soft approach characterized by collaboration In order to demonstrate this the book examines two poverty reduction programmes Utilising research based on interviews with national policymakers civil society organizations and the media it compares different approaches used by transnational actors and the attendant outcomes for national and international parties Drawing on an interdisciplinary perspective the book will appeal to scholars and students of public policy and international relations **Production & Inventory Management Review &**
